

DMI KONNECT

Monthly newsletter of DFT Group of Institutions

Dear Members of the DMI Family,

Happy New Year!

May this new year bring renewed hope, fresh energy, and significantly improved results across all our institutions. A new beginning offers us the opportunity not only to reflect, but to reinvent — to rise higher than before with clarity of purpose and firmness of resolve.

As I look at our system today, I feel the need to rekindle the vibrancy that once defined us. Growth does not happen automatically; it must be intentionally driven. Every classroom, every office, and every campus must radiate enthusiasm, discipline, and a results-oriented mindset. Let this year mark a decisive transformation — a year in which we move our institutions to greater heights of excellence and impact.

Rev. Fr. Dr. J. E. Arulraj

The world around us is changing rapidly, driven by unprecedented technological advancements. Artificial intelligence, automation, digital platforms, and new business models are reshaping industries and redefining careers. We cannot remain static in a dynamic world. I urge each of you to upskill yourselves continuously and encourage rapid curriculum renewal to accommodate emerging developments. Our focus must shift toward equipping students with new skills for the new and emerging world — critical thinking, digital competence, innovation, adaptability, and industry relevance.

Institutional transformation demands accountability, collaboration, and measurable outcomes. Let us adopt higher standards and work with renewed determination. Together, with faith and disciplined effort, we can build a system that remains relevant, respected, and resilient.

As the poet reminds us, we have “miles to go before we sleep.” Let that be our collective spirit — relentless, purposeful, and forward-looking.

Wishing you all a vibrant, productive, and transformative New Year.

With best wishes,
Chairman
DMI Group of Institutions

Dear Members of the DMI Family,

My warmest wishes to each one of you for a very Happy and Prosperous New Year. May this year bring renewed enthusiasm, clarity of purpose, and success in all our endeavors.

**Dr. M. J. Xavier**

We begin this year with the launch of a new volume of DMI Konnect. This milestone is not merely a continuation of a publication; it represents our shared journey of communication, collaboration, and collective growth. Over the past editions, DMI Konnect has served as a platform to connect our institutions across regions, to share best practices, and to celebrate achievements. As we step into this new volume, let us strengthen this spirit of unity and purposeful engagement.

The year ahead calls for sharper focus, better execution, and measurable outcomes. We must align our academic excellence with industry relevance, enhance operational efficiency, and foster a culture of accountability at every level. Growth will not happen by chance — it will be the result of disciplined planning and committed teamwork.

Let us use this new beginning to renew our commitment to excellence, innovation, and service. Together, we can make this year a defining chapter in the progress of the DMI Group of Institutions.

Wishing you all a productive, inspiring, and successful year ahead.

With best regards,
CEO

Seminar on Basic Life Support (BLS)

On January 10, 2026, the Department of Allied Health Sciences conducted a seminar on Basic Life Support (BLS), with the active participation of five students. The seminar focused on essential life-saving techniques and emergency response procedures, thereby enhancing the participants' awareness and practical understanding of BLS services.

Debate Programme

On January 10, 2026, the Department of Allied Health Sciences conducted a seminar on Basic Life Support (BLS), with the active participation of five students. The seminar focused on essential life-saving techniques and emergency response procedures, thereby enhancing the participants' awareness and practical understanding of BLS services.

Poster designing activity

On January 10, 2026, the Department of Visual Communication actively participated in a poster designing activity. The activity provided a platform for students to showcase their creativity, visual skills, and design concepts, fostering artistic expression and effective visual communication.

Pongal Celebrations

On 12th January 2026, Pongal was celebrated with great enthusiasm and cultural spirit. Faculty members and students actively participated in various events such as Rangoli, Musical Chairs, and other traditional activities. The celebration fostered unity, joy, and appreciation of cultural heritage among the university community

Orientation programme on Happy Exams

On 21st January 2026, the Admission Team of St. Joseph University – Palanchur Campus conducted an orientation programme titled “Happy Exams” for the XII Standard students of St. Ann’s Matriculation Higher Secondary School, Mangadu. The programme focused on guiding students towards stress-free and confident exam preparation, offering practical tips on managing exam anxiety and enhancing performance.

National Voters' Day

St. Joseph University organized an awareness programme on the occasion of National Voters' Day on 24th January 2026. Students actively participated in various competitions, including drawing and essay writing, highlighting the importance of voting and democratic responsibility. The programme successfully enhanced students' awareness of civic duties and electoral participation.

“Hospital Infection Prevention, Control, and Sensory Systems

The Department of Allied Health Sciences organized a seminar titled “Hospital Infection Prevention, Control, and Sensory Systems” on January 24, 2026, with active student participation through presentations.

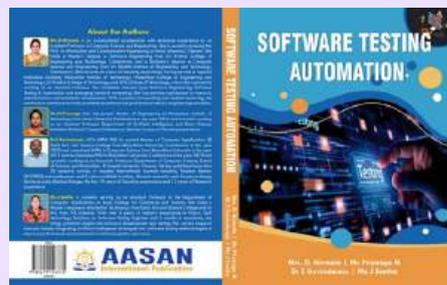

Faculty Achievements

We are proud to announce that Mr. Hemnath M successfully completed the Chennai Marathon 2026, covering 10 km on 4th January 2026. This achievement highlights his determination, stamina, and dedication to maintaining an active and healthy lifestyle

Dr. Auxzilia Preethi K, Assistant Professor, Department of Advanced Zoology and Biotechnology was invited as the Resource Person to deliver a seminar on the topic "Synergetic Uses of Spectrophotometry and Calorimetry" conducted by the department of biotechnology in association with IQAC and IIC on 10.01.2026 at St. Joseph Arts & Science College, Kovur.

Dr. S. Govindaraju, Associate Professor, Department of Computer Science, has published a book titled "Software Testing Automation" with Aasan Publications. The publication highlights his academic expertise and contribution to the field of software testing and automation

Dr. Geetha K, HoD (i/c), Department of Computer Applications, has published a book titled "Quantum Computing Innovations" as the First Author with Kiwi International Publishing House and also filed and published a Patent Titled on "System and Technique for secure federated learning with differential privacy on cloud network

Students Achievement

On 20th January 2026, a total of 11 students of II-year B. Tech participated in the Pre-Summit event for India – AI Impact Summit 2026, organized by Saveetha Engineering College. An AI Quiz was conducted as part of the event, in which Mr. Kundan Sai (II-year B. Tech) secured 10th place and won a cash prize of ₹500/-

Jason Raj F, a II Year B. Com student, has successfully completed a certificate course on "Tally". The accomplishment reflects his initiative in enhancing professional and accounting-related skills

Academic Activities

Classes for the Even Semester commenced on 05 January 2026 for all Undergraduate and Postgraduate programmes. Academic activities resumed smoothly with regular teaching schedules across departments. For the Second Year LL.M students, topic discussion and guide allotment for dissertations were conducted, enabling students to initiate their research work under proper academic supervision.

Law Buddy access and Placement upskilling

An induction program for the Law Buddy website was also conducted. Ms. Vilasini and Ms. Keerthi, trainers for competitive examinations, addressed the students and shared valuable insights on preparation strategies. In connection with Martyrs' Day, essay writing and quiz competitions were conducted on the theme of favorite freedom fighters and their contributions to India's freedom struggle.

BAR COUNCIL RENEWAL PREPRATION VISIT BY PROVOST AND VC

The top management of DFT, Respected Provost Dr.Suresh Maria and Respected Vice Chancellor Dr. Subbiah Bharathi visited the law school and inspected the infrastructure of the law school and suggested other improvements for the upcoming years.

Online Journal campus and individual access

The programme on CDJ (Complete Digital Judgements) Journal access was organized for students and faculty members. All participants were provided access to the digital legal resource. The programme was addressed by Mr. Sooryanarayanan, Director of CDJ Journal, who delivered an insightful lecture highlighting the importance of digital legal databases and their relevance in contemporary legal education.

Cultural and Arts Activities

The Pongal Celebration was conducted over two days. The celebrations commenced on 10 January 2026 with Rangoli and Pongal pot decoration competitions, encouraging student creativity and cultural expression.

The celebrations continued with a variety of cultural programmes including Pongal making, dance and singing competitions, ethnic fashion walk, and tug of war. Students actively participated and showcased their talents. The Overall Trophy was secured by 2nd Year LL.B, while Second Prize was secured by LL.B Section A and Third Prize by LL.B Section B. Pongal holidays commenced on 13 January 2027.

Sports Activities

As part of the Pongal celebrations, tug of war was organized, promoting teamwork, physical fitness, and sportsmanship among students. The event witnessed enthusiastic participation and contributed to the overall festive spirit on campus

The Republic Day

77th Republic day was celebrated by inviting Retired Judge Ganesan P, who delivered a thought-provoking lecture on the importance of legal education and shared his life experiences. The programme began with a prayer, followed by the inaugural address by Dr. Vincent Comraj, Dean, School of Law. Patriotic songs, dances, and a speech by Dr. Subbiah Bharathi, Vice Chancellor added value to the event, making it informative and memorable

Visit of Rev. Fr. Dr. J. E. Arulraj — Chancellor

Visit of Rev. Fr. Dr. J. E. Arulraj, Chancellor, on 3rd January 2026.

JIBA MEETING FOR MBA STAFF ON 8TH JANUARY

PONGAL CELEBRATION

The traditional Pongal was celebrated, competitions were conducted to bring out the hidden talents of the students on 10th January 2026

First Year End-Semester Exams started on 19th January

Field visit

Agriculture students field visit to Keezhathanur Village for the collection of Infected Plant Specimens for Herbarium Preparation and Weed Management Practices in Groundnut field-on 21-01-2026

Magalir Maanadu

Participated in Nandri mayyam magalir maanadu and distributed pamphlets on 24.01.2026

Annual Retreat

FACULTY DEVELOPMENT PROGRAM

The Faculty Development Program (FDP) on “Designing and Developing Course and Session Plan” was successfully conducted by St. Joseph University and Kanyakumari Medical Mission & Research Centre (KMMC) on 31st December 2025 at 10.00 AM in the Council Hall, Admin Block, KMMC. The program was organized to enhance faculty skills in academic planning and effective instructional design

The session was handled by Dr. Selvam Jesiah, Ph.D., Professor and Principal, Sri Ramachandra Faculty of Management Sciences, Sri Ramachandra University. He provided detailed insights into systematic course design, preparation of session plans, formulation of learning objectives, and alignment of course outcomes with assessment strategies

The FDP was interactive and engaging, with active participation from faculty members. The program proved to be highly beneficial, helping participants strengthen their teaching-learning practices and contributing to their overall academic and professional development.

ACADEMIC ACTIVITIES

On 08.01.2026, our Founder Father conducted a general meeting for the nursing students. He addressed the students and shared important guidance

PONGAL CELEBRATIONS

On 14.01.2026, the students of the Nursing, AHS, and Pharmacy departments of our college joyfully celebrated the Pongal events.

PONGAL CELEBRATIONS

As a part of the Pongal celebration, the students also showcased their talents such as Silambam, debate, fire breathing, fire spinning, and other cultural activities.

ACADEMIC ACTIVITIES

Review meeting conducted by Director (Academics)

MOTIVATIONAL TALK

Motivational Talk by Dr.Antony & Fr.Ruban on 10.01.2026

Examinations

Regular End-of-Semester Examinations: Conducted from January 5th to 12th, 2026, at Blantyre Campus, and from January 5th to 9th, 2026, at Lilongwe Campus.

Weekend End-of-Semester Examinations: Conducted from January 10th to 17th, 2026, at Blantyre Campus, and from January 12th to 18th, 2026, at Lilongwe Campus.

Supplementary Examinations: Conducted from January 5th to 23rd, 2026, at Mangochi Campus.

Examinations

Marking of Examination Papers: Staff members marked end-of-semester examination papers for Term, Regular, Bridging, and Weekend programs from January 19th to 30th at Mangochi Campus and from January 19th to 23rd at Lilongwe Campus.

Meetings

Institutional Assessment Meeting: Held on January 7th, 2026, at Lilongwe Campus, to discuss assessment findings and agree on corrective actions.

Staff Ethics Orientation Meeting: Held on January 21st, 2026, at Lilongwe Campus, to orient staff members on ethics and professional standards.

Meeting with Heads of Departments and Administrative Staff: Held on January 19th, 2026, at Blantyre Campus, to discuss various issues

Teaching Practice and Project Defenses

Teaching Practice Supervision: The Education Department conducted its first clinical supervision visit for students undergoing teaching practice from January 19th to February 4th at Mangochi Campus.

Project Defense for BBA Department: Held on January 11th, 2026, at Blantyre Campus, with an external examiner assessing student projects

Proposal Defense for BSW Department: Held on January 20th-21st, 2026, at Blantyre Campus, with an external examiner assessing student proposals

Teaching Practice and Project Defenses

Hindi World Day Celebration: Held on January 11th, 2026, at Lilongwe Campus, with students showcasing their dance performances.

1.1.A student represented the university in a meeting with the Minister of Sports, Youth, and Culture on January 23rd, 2026, at Lilongwe Campus.

Faculty Development Program

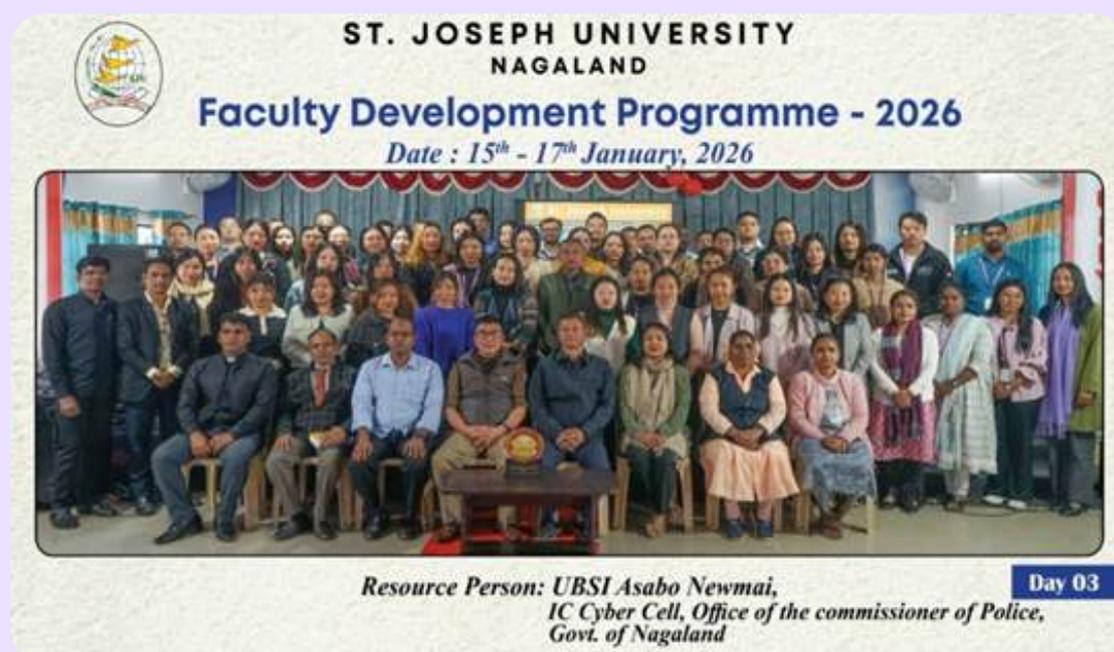

The Internal Quality Assurance Cell (IQAC), St. Joseph University, successfully organized a three-day Faculty Development Programme (FDP) from 15th to 17th January 2026 at the SJU Auditorium. The programme aimed to enhance faculty competencies in the key areas of Teaching & Learning, Artificial Intelligence, and Cyber Security, in line with the university's commitment to academic excellence and quality assurance.

The FDP commenced with a session on Teaching & Learning, chaired by Dr. Patrick Praveen. The resource person, Dr. T. Soundara Pandian, Associate Professor, Modern Institute of Teacher Education, Kohima, delivered an inspiring talk titled "Leading with Passion: Igniting the Teacher Within." He emphasized reflective teaching, learner-centric pedagogy, the constructivist approach, and the use of the ADDIE instructional design framework. The session encouraged faculty members to build meaningful teacher-student relationships and adopt dynamic, student-centred teaching practices.

The second day focused on Artificial Intelligence, chaired by Dr. Tiatula Ozukum. Dr. Arambam Neelima, Assistant Professor, NIT Nagaland, delivered a comprehensive session on "Introduction to AI Tools for Teaching and Research: Using Generative AI and Learning Analytics." She introduced various AI tools relevant to academic settings, discussed ethical considerations, and demonstrated how AI can support teaching and research while reinforcing the irreplaceable role of educators.

The final day addressed Cyber Threats in Educational Institutions & Data Protection, chaired by Dr. Shonreiphy Longvah. The resource person, Mr. Asabo Newmai, IC Cyber Cell, Government of Nagaland, highlighted cyber risks such as data breaches and phishing attacks, and outlined preventive measures and best practices for ensuring cyber safety in educational institutions.

Overall, the FDP was highly enriching and informative, equipping faculty members with updated pedagogical insights, technological awareness, and cyber security knowledge, thereby reinforcing the university's commitment to quality education and professional development.

National Voters Day

The Department of Political Science successfully observed National Voter's Day, 2026 with the theme "My India, My Vote". The programme began with the National Anthem by the Music Club of St. Joseph University, followed by the reading of the Voters' Pledge, reaffirming the commitment to uphold democratic values. Ms. Witadthiu Meriam (MA 2ND Semester) spoke on the significance of National Voter's Day.

The resource person, Dr. Limongi, Assistant Professor, Department of Political Science, delivered an insightful lecture on the theme "My India, My Vote." She highlighted the importance of National Voters' Day, observed on 25th January, initiated by the Election Commission of India to promote voter awareness and participation, especially among youth. She emphasized that "My India" reflects the nation's democratic legacy and constitutional values while "My Vote" represents identity, equality, and active civic responsibility. The lecture stressed the importance of informed and responsible voting, youth engagement in the electoral process, and the role of voting in strengthening democracy and good governance. The session was chaired by Ms. Delishe Lam (MA 4th Semester)

The programme concluded with a vote of thanks by Dr. Sinyhunlo keppen, Assistant Professor, Department of Political Science, who also served as the coordinator of the programme.

As part of the National Voter's Day, 2026, a survey was done through Google form for the students in the department of Political Science regarding the possession of EPIC card (voters' card). Out of 179 respondents, 41.3% do not have EPIC card whereas, 58.7% possessed EPIC card.

TRAINING AND PLACEMENT

The Department of Training and Placement organized a COVENANT campus placement drive for the MBA Department on 06.01.2026.

The Department of Training and Placement organized a Pepagora campus placement drive for all departments on 09.01.2026.

BYD campus placement drive for ECE, EEE, and mechanical students on 27.01.2026.

TRAINING AND PLACEMENT

The Training and Placement Department organized soft skill training for all III-year students from 20.01.2026 to 21.01.2026 and from 28.01.2026 to 30.01.2026.

PONGAL CELEBRATION

Pongal Festival was celebrated at our college on 13th January 2026 with great enthusiasm. The programme commenced with the reading of God’s Word, followed by a prayer led by our beloved Administrator, Rev. Fr. I. Sengol, MMI, and a prayer song rendered by the student choir. Our Administrator, Rev. Fr. I. Sengol, MMI, addressed the gathering and inspired the students by emphasizing the values of love, gratitude, and building strong relationships with elders. He also encouraged everyone to understand the significance of Pongal and to imbibe, uphold, and preserve our rich traditional values.

Heads of departments, fathers, sisters, and teaching and non-teaching staff actively participated in the celebration. Students adorned themselves in traditional attire and filled the campus with cultural vibrancy, showcasing joy and pride. Students from all departments displayed their talents through dance performances, rangoli, games, and Tamil oratorical events. Various traditional games were conducted for both students and staff to highlight our culture and heritage. Each department, along with staff and students, prepared Pongal on the college premises. To create a balance between tradition and modernity, a DJ session was also arranged. Sweet Pongal and sugarcane were distributed to all. St. Joseph College of Engineering celebrated Pongal in a memorable and grand manner, leaving behind cherished memories that will remain evergreen in the hearts of everyone.

PATTIMANDRAM

A special Pattimandram (debate programme) was organized on the occasion of the Pongal Festival by the Department of Tamil at St. Joseph College of Engineering. The event was conducted in a grand and pleasant manner with the blessings of the College Administrator Rev.Fr.I.Sengol and the felicitations of the College Principal Dr.T.Manvel Raj. The programme was presided over by the eminent Tamil scholar and Professor, Thiru. Arokiya Prasad, who served as the moderator for the Pattimandram. He thoughtfully evaluated the students' viewpoints and enriched the event with his clear explanations, insightful observations, and valuable guidance. The programme was further enhanced by the participation of Madha Television, which collaborated with the Department of Tamil, adding greater prominence to the event. Students participated with great enthusiasm and confidence, effectively showcasing their oratorical skills, critical thinking, and depth of thought. The event proved to be a memorable and intellectually stimulating experience for all who attended.

STATE LEVEL FOOTBALL DEVELOPMENT LEAGUE CHAMPIONSHIP – 2026

The U-17 State Level Football Development League Championship – 2026 was successfully conducted at the campus of St. Joseph College of Engineering, Sriperumbudur, Chennai from 14th January 2026 to 16th January 2026 . The event was ceremoniously inaugurated by our respected College Administrator, Rev. Fr. I. Sengol, who graced the occasion and officially flagged off the championship.

During the valedictory session, Rev. Fr. I. Sengol felicitated the event by distributing prizes to the winning students, appreciating their sportsmanship, dedication, and outstanding performance throughout the tournament. This state-level football championship witnessed the enthusiastic participation of more than 100 students from various parts of Tamil Nadu, making the event highly competitive and vibrant. The matches were conducted in a well-organized manner, upholding the true spirit of sports.

The successful conduct of this prestigious sporting event has brought great pride and recognition to our institution. Furthermore, such a large-scale inter-institutional sports event is expected to play a significant role in promoting the college and supporting student admissions in the upcoming academic year, by highlighting the institution’s commitment to holistic development through academics and sports

SPARK 2026

Hackathon SPARK 2026 was held at DMI Engineering College, Palanchur on 23-1-2026. Students of our college actively participated and demonstrated the session with their innovative aspects. More than 20 batches of various department students exhibited their talents.

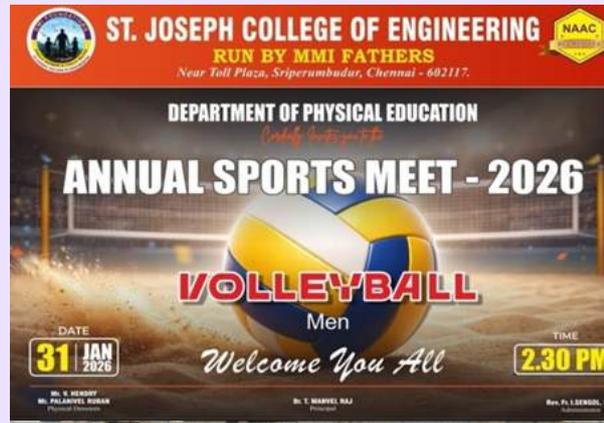

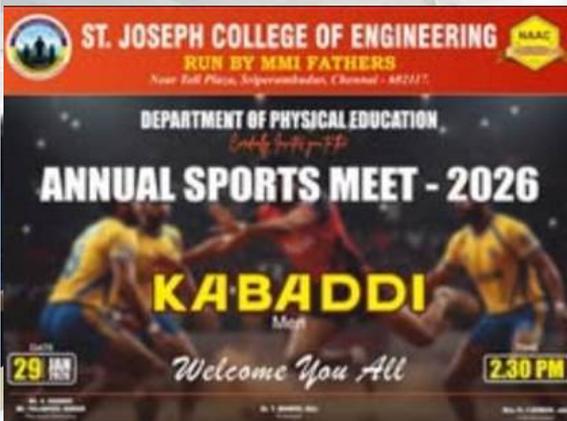

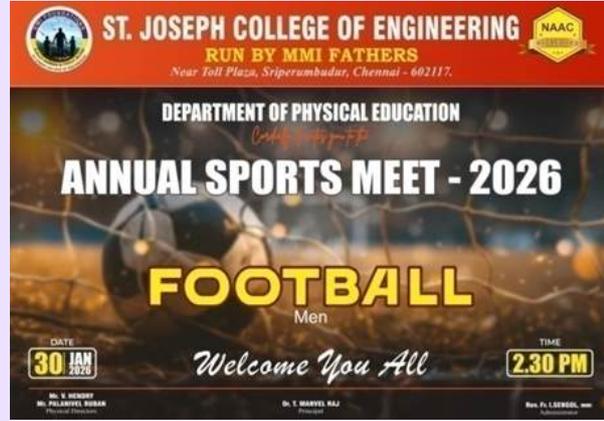

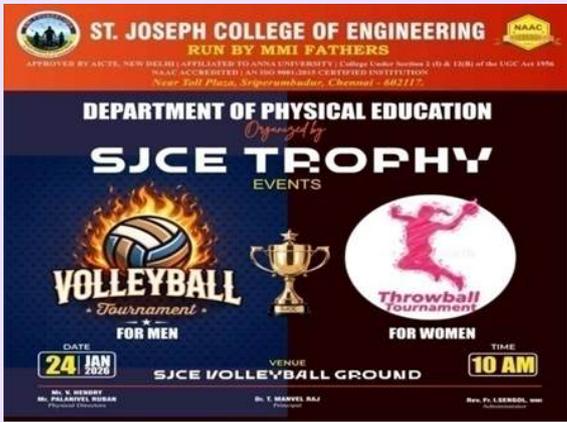

GLOBAL WOMEN SUMMIT

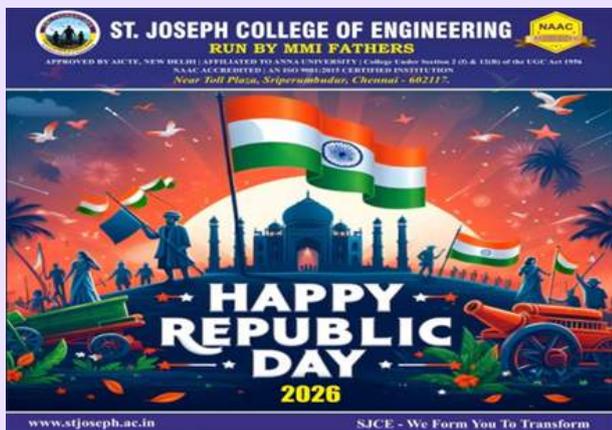

ANNUAL SPORTS MEET 2026

The department of Physical Education of St. Joseph College of Engineering organized the Kabaddi Match, Volley ball, Throw ball & Football as part of the Annual Sports Meet 2026 on various date of January 2026. The event witnessed enthusiastic participation and showcased students' strength, teamwork, and sportsmanship.

REPUBLIC DAY CELEBRATION

St. Joseph College of Engineering celebrated Republic Day with great patriotism and pride on 26th January 2026. The celebration included the hoisting of the National Flag, followed by inspiring addresses that highlighted the values of the Indian Constitution and national unity. Faculty members, staff, and students participated enthusiastically, making the occasion solemn and memorable.

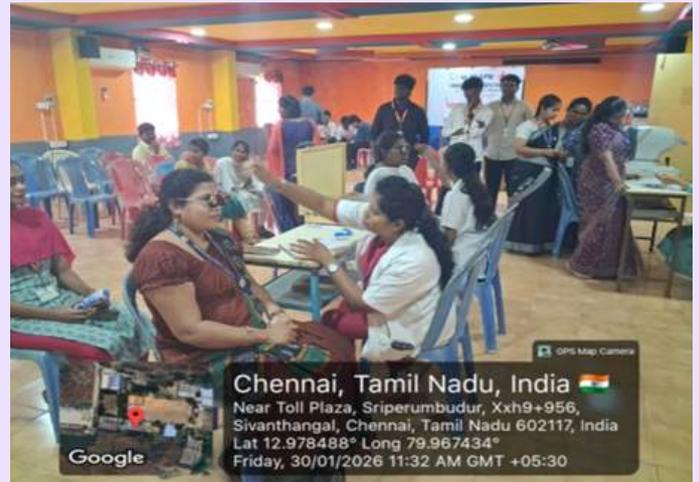

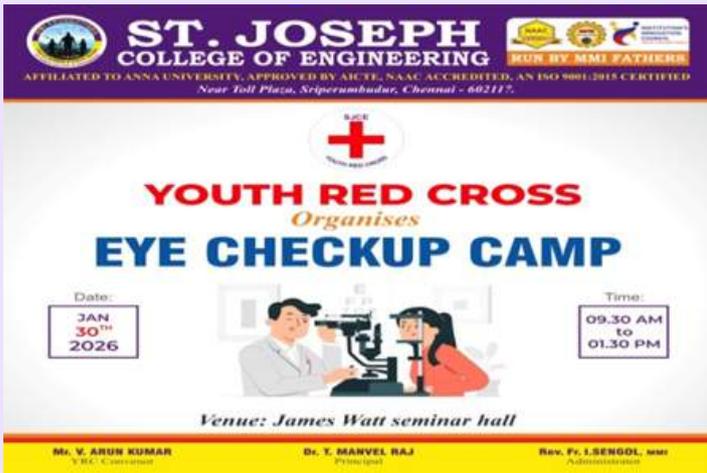

ART AND PHOTOGRAPHY CLUB

The Art & Photography Club of St. Joseph College of Engineering organized a Mehendi Competition on 30th January 2026 at Muthaiah Auditorium. The event was conducted on the theme "Creativity in Mehendi Art." Students from various departments actively participated and showcased their artistic skills through innovative mehendi designs. The event was successfully organized by Ms. I. P. Pavithra, AP/ECE, and Mrs. D. Angeline Jennifer, AP/ECE, and concluded on a successful note, promoting creativity and cultural appreciation among students.

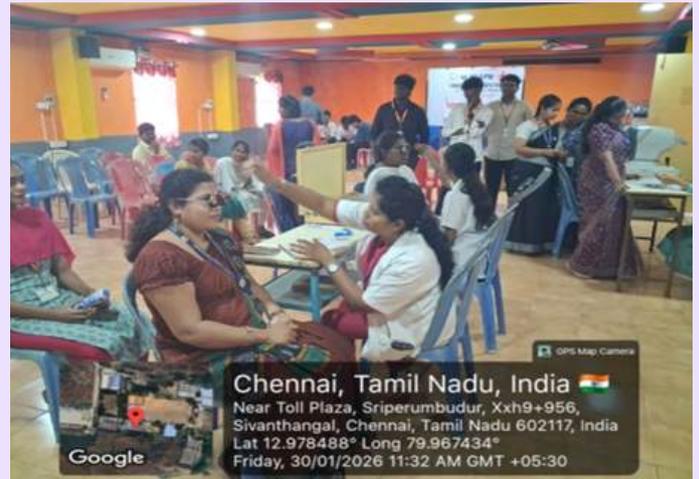

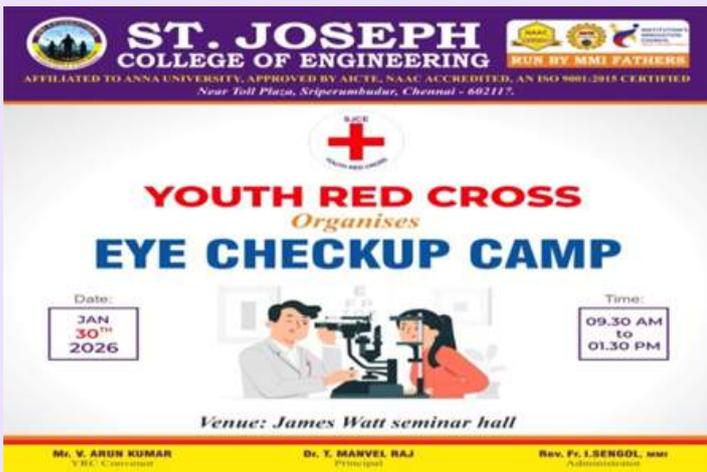

EYE CHECKUP CAMP

The Youth Red Cross of St. Joseph College of Engineering organized an Eye Check-Up Camp at James Watt Seminar Hall on 30.01.2026. The camp aimed to promote awareness about eye health and provide basic vision screening for students and staff. A total of 194 participants, including students and staff members, benefited from the camp. Eye examinations were conducted by qualified medical professionals, and participants were guided on proper eye care and further treatment wherever required. The camp was conducted successfully and received positive participation and cooperation from all involved.

EYE CHECKUP CAMP

The Youth Red Cross of St. Joseph College of Engineering organized an Eye Check-Up Camp at James Watt Seminar Hall on 30.01.2026. The camp aimed to promote awareness about eye health and provide basic vision screening for students and staff. A total of 194 participants, including students and staff members, benefited from the camp. Eye examinations were conducted by qualified medical professionals, and participants were guided on proper eye care and further treatment wherever required. The camp was conducted successfully and received positive participation and cooperation from all involved.

Pongal Celebration

Loyola Institute of Technology Celebrated Tamil harvest festival- Pongal on 12-01-2026. The campus was beautifully decorated with kolams (rangoli), sugarcane, flowers, and clay pots, creating a festive atmosphere. Students and faculty wore traditional attire, adding charm and authenticity to the celebration.

The program began with a Pongal prayer, followed by the preparation of Sakkarai Pongal, symbolizing happiness and abundance. Cultural events such as folk dances (Kummi, Kolattam), music performances, and skits highlighted Tamil culture and traditions.

Blind Empowerment Champions 2025

Loyola Institute of Technology has been awarded Silver Zone in IAB Blind Empowerment Champions 2025 by the Indian Association for Blind for outstanding excellence and amazing commitment towards voluntary contribution during the year 2025-2026 for the empowerment of persons with visual challenges

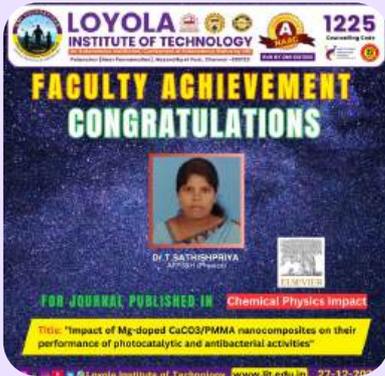

PAPER PUBLICATION

We are proud to congratulate Dr.Prabhu Dorai, Professor & Vice Principal, Loyola Institute of Technology, on the successful publication of his research paper in IEEE Xplore titled “Artificial Intelligence-Based Deep Learning Methods for Lung Cancer Identification.”
A remarkable contribution to AI-driven healthcare research.

We proudly congratulate Dr. T. Sathishpriya, AP / S&H (Physics), Loyola Institute of Technology, on the successful publication of her research article in Elsevier – Chemical Physics Impact.
Her work titled “Impact of Mg-doped CaCO₃/PMMA nanocomposites on their performance of photocatalytic and antibacterial activities” reflects significant contributions to materials science research.

We are proud to congratulate Mr. M. Varadharajan, AP/ECE, on the successful publication of his research paper in a Taylor & Francis Group journal.
Title: A conformal logo-based skin-mountable ultraflexible antenna for smart wound monitoring bandages
Journal: Innovations in Computer Vision, Communication Systems, and Computational Intelligence
Your contribution reflects excellence in research

Loyola Institute of Technology proudly congratulates Dr. V. Pushpa, Assistant Professor, Department of ECE, on the successful publication of her research paper in the reputed international journal WSEAS Transactions on Information Science and Applications.

PaperTitle: “CRLSA: Cognitive Reinforcement Learning Spectrum Allocation in Addressing Spectrum Scarcity in 5G Wireless Communication”

This achievement reflects her dedication to research excellence and contribution to advanced wireless communication technologies. We applaud her commitment to innovation and academic growth.
Congratulations on this remarkable accomplishment!

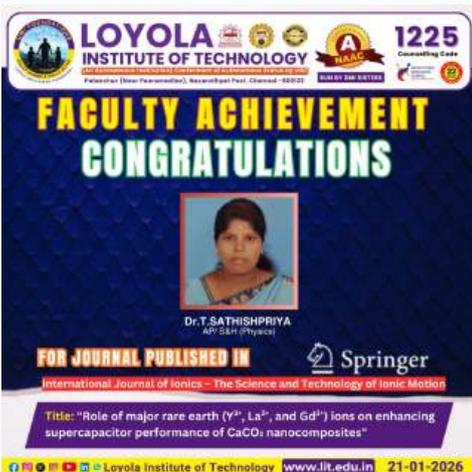

Investor Awareness Program

Loyola Institute of Technology, in association with SEBI & sponsored by Mirae Mutual Funds, successfully organized an Investor Awareness Program exclusively for girl students. We were honored to have Mrs. R. Sharmila, Trainer & Motivational Speaker, who delivered an insightful and inspiring session on financial literacy, smart investing, and empowered decision-making.

PAPER PUBLICATION

Loyola Institute of Technology proudly congratulates Dr. T. Sathishpriya, Assistant Professor, S&H (Physics), on her remarkable research achievement.

Her research paper titled “Role of major rare earth (Y³⁺, La³⁺, and Gd³⁺) ions on enhancing supercapacitor performance of CaCO₃ nanocomposites”

This accomplishment reflects her dedication to academic excellence and impactful research in advanced materials and energy storage applications.

National Voter’s Day Competition

Voting is not just a right; it is a pride. The Electoral Literacy Club, Loyola Institute of Technology, proudly celebrates National Voter’s Day 2026 with exciting competitions that inspire awareness, responsibility, and participation in democracy.

PAPER PUBLICATION

We are proud to share a remarkable academic achievement by our esteemed faculty members from the Department of Mechanical Engineering, Loyola Institute of Technology.

Mr. Allen Jeffrey, AP / Mechanical

Mr. K. Barathiraja, AP / Mechanical

Their research paper titled

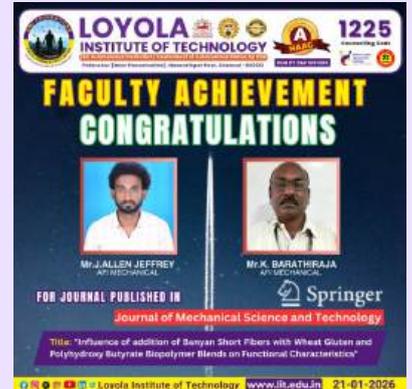

“Influence of addition of Banyan Short Fibers with Wheat Gluten and Polyhydroxy Butyrate Biopolymer Blends on Functional Characteristics”

has been successfully published in the Journal of Mechanical Science and Technology (Springer).

This achievement reflects their dedication to research excellence, innovation, and sustainable materials development, bringing pride to our institution.

Congratulations to both the faculty members on this outstanding accomplishment!

Wishing you many more research milestones ahead

National Voter’s Day Competition- Winner

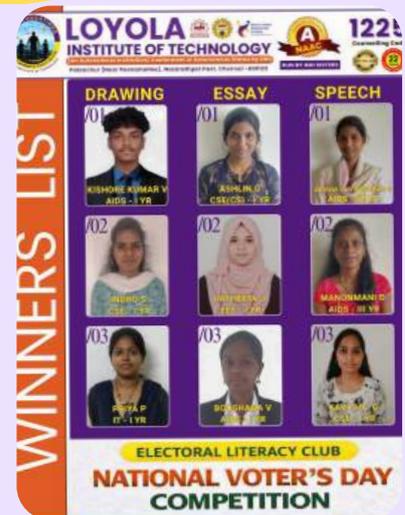

Celebrating Young Voices of Democracy

The Electoral Literacy Club, Loyola Institute of Technology, successfully conducted the National Voter’s Day Competition featuring drawing, essay, and speech events.

We proudly congratulate all the winners for showcasing their creativity, awareness, and commitment towards strengthening democratic values.

Your participation reflects the spirit of responsible citizenship and informed voting.

Kudos to the organizers, faculty coordinators, and participants for making this initiative a grand success.

DEPARTMENT ASSEMBLY-EEE

Morning Prayer by EEE Department held at Dept Seminar Hall on 05-01-2026 HOD Enlightened students individual self development skills by developing their ideas into implementation during our college Project Expo Dr. Balamurugan sir threw light upon NPTEL certification and it’s need for Self development skill to be put up on their students Resume

DEPARTMENT ASSEMBLY – IT & MBA

IT & MBA department assembly prayer was conducted on 07.01.2026.

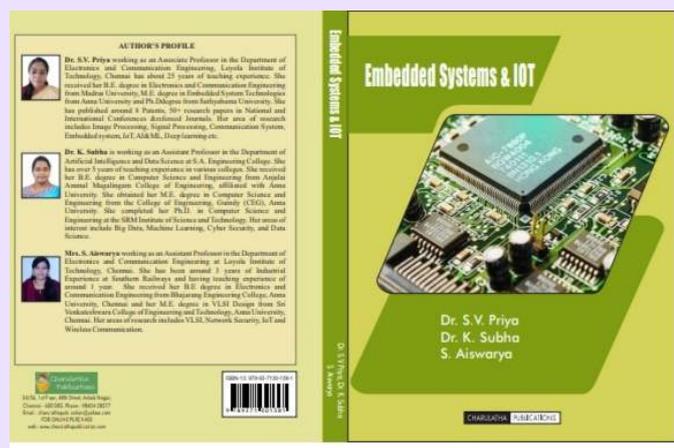

DEPARTMENT ASSEMBLY- CSE

The Department assembly is conducted on a weekly basis; the students presented the department student activities, and Dr.P.Seenikannan, Principal, addressed the gathering and briefed about the activities of this new semester to be carried out.

Book Publication

Dr.S.V.Priya Associate Professor, and S.Aishwarya from ECE published a book on Embedded Systems & IoT by Charulatha Publishers.

Skill Development Program

Skill development program for 1-year students on 8.1.2026. This one-week program started on 6.1.2026.

PLACEMENT

Company Name	Date & Venue	Selection Status	Salary (LPA)
HHARTING Mfg India Pvt Ltd	17.12.2025 Company Office	01 Candidate Selected	2.5 - 3.0
PEPAGORA	09.01.2026 College Campus	02 Candidates Selected	3
Vectone Solution Pvt Ltd	21.01.2026 Vectone Office	Shortlisted - Result Awaited	4.8
SL Lumax	21.01.2026 SL Lumax Office	05 Candidates Shortlisted	3
QSpiders	05.02.2026 & 16.02.2026 Training cum	Ongoing	Training Program

MoU signed between SJ CET and Bridge Bharath Council, Thanjavur

SJ CET has signed an MOU with Bridge Bharath Council, Thanjavur (consultant and manufacturer of defense-related equipment's and components), on 06/01/2026 for the promotion of innovation, research, and entrepreneurship.

Moral and Social Awareness Activity: "Traffic Rules and Road Safety"

On the occasion of National Youth Day (12/01/2026), the Department of ECE organized a Moral and Social Awareness Activity on the theme "Traffic Rules and Road Safety Awareness," aimed at educating students and the public about the importance of following traffic regulations, promoting responsible road behavior, and ensuring personal and public safety. The program highlighted the significance of discipline, civic responsibility, and awareness in reducing road accidents and fostering a safer society

IoT-based Embedded System Mini Project

The Department of ECE organized a collaborative activity on an IoT-based Embedded System Mini Project on 22.01.2026 in online mode, providing students with hands-on exposure to real-time applications and emerging technologies. The session encouraged teamwork, innovation, and practical learning, thereby enhancing students' technical skills and problem-solving abilities.

Value Added Course on Statistical Data Analysis for Management Research

The Department of Management Studies conducted a Value Added Course for first-year MBA students on “Statistical Data Analysis for Management Research,” aimed at enhancing students’ analytical and research skills. The session was handled by Dr. Venkatesan, Assistant Controller of Examination, Sri Ramachandra Institute of Higher Education and Research, Chennai, who shared valuable insights and practical approaches to statistical analysis for effective management research

Entrepreneurship Awareness Programme 2026

The Entrepreneurship Development Cell organized an Entrepreneurship Awareness Programme on 12.01.2026, aimed at inspiring and guiding aspiring entrepreneurs. The programme was graced by Er. S. Senthil Nathan, District Programme Manager, EDII-TN, Thanjavur, who shared valuable insights on entrepreneurial skills, opportunities and the path to successful venture creation.

Dotnix Pooled Campus Drive – Successful Placements

On 30.01.2026, the Dotnix Pooled Campus Drive was conducted successfully. A total of six students were selected for the position of Junior Software Engineer Trainee, marking a significant achievement for the institution and the students.

FACULTY ACHIVEMENTS

On 30.01.2026, the Dotnix Pooled Campus Drive was conducted successfully. A total of six students were selected for the position of Junior Software Engineer Trainee, marking a significant achievement for the institution and the students.

Comprehensive Guide to Linear Algebra

The Mathematics Department is proud to announce the publication of a book on “Linear Algebra” for second-semester students, published by St. Joseph’s College of Engineering and Technology, Thanjavur. The book has been edited by Dr. I. Neethi Manickam and Dr. R. Ravikumar and authored by R. Malarkodi, Dr. N. Latha, Dr. M. Chandramalar, Dr. R. Lalitha, Dr. B. Sri Ranjani, and Dr. N. Indira. This publication provides comprehensive coverage of linear algebra concepts with clear explanations and practical examples, aimed at enhancing students’ understanding and supporting their academic growth

Research Excellence on a Global Platform

Mrs. S. Subbulakshmi, Assistant Professor, AI & DS, has successfully published a research paper titled “Explainable Quantum Artificial Intelligence for Enhanced Radiology Decision Support” in a reputed IEEE International Conference.

The work highlights the integration of Quantum Computing and Explainable AI to enhance accuracy and transparency in advanced medical imaging diagnostics.

Proud Moment: Mrs. Akshara Honored at IIT Madras

On 30.01.2026, the Dotnix Pooled Campus Drive was conducted successfully. A total of six students were selected for the position of Junior Software Engineer Trainee, marking a significant achievement for the institution and the students.

Seminar on Safe and Trusted AI Resources

The Department of AI & DS organized a seminar on “Safe by Design, Open by Choice: The Future of Trusted AI Resources” on 22.01.2026, delivered by Prof. Mrs. Aiswarya, Assistant Professor, AI & DS Department, focusing on the principles of ethical AI, data security, transparency, and responsible innovation.

Simplifying Automata: Minimization of DFA

The Department of IT organized a seminar on “Minimization of DFA” on 22.01.2026, delivered by Prof. P. Sathish, Assistant Professor, CSE Department, focusing on the concepts, techniques, and applications of deterministic finite automata minimization in automata theory and compiler design

Seminar on The Self-Driving Warehouse

The Department of AI & DS organized a seminar on “The Self-Driving Warehouse: Unleashing the Power of Autonomous Data” on 22.01.2026, presented by Prof. Ms. R. Jeyashree, focusing on the role of artificial intelligence, automation, and data-driven intelligence in transforming modern warehouse management systems.

Intelligent Wireless Communication for Efficient Spectrum Utilization

The Department of AI & DS organized a seminar on “The Self-Driving Warehouse: Unleashing the Power of Autonomous Data” on 22.01.2026, presented by Prof. Ms. R. Jeyashree, focusing on the role of artificial intelligence, automation, and data-driven intelligence in transforming modern warehouse management systems.

Branching Minds: Unlocking Data Logic with Decision Trees

The Department of IT organized a seminar on “Branching Out: How Decision Trees Turn Data into Logic” on 28.01.2026, delivered by Prof. A. Francis Thivya, Assistant Professor, AI & DS Department, focusing on the fundamentals and applications of decision tree algorithms in data-driven decision making

Seminar on “Design of SMPS”

The Department of Electrical and Electronics Engineering (EEE) organized a seminar on “Design of SMPS” on 28.01.2026, conducted by Mr. V. Vinoth, Assistant Professor, Department of EEE. The seminar focused on the fundamental principles, design methodologies, circuit components, and practical applications of Switched Mode Power Supplies (SMPS). The session provided valuable technical insights and enhanced students’ understanding of efficient power conversion systems

Unlocking the Future: Seminar on Biochip Technology

The Department of ECE organized a seminar on “Core Subject on Biochip Technology” on 29.01.2026, conducted by Mrs. T. Rajalakshmi, AP/ECE, focusing on basics and applications of biochip technology

Innovate & Simulate Workshop On Working Simulator

The Department of ECE organized a workshop on “Design Thinking, Critical Thinking and Innovation Design – Wokwi Simulator” on 29.01.2026, conducted by Mrs. M. Sathya, AP/ECE, through which students gained hands-on knowledge of creative problem-solving, innovative design approaches, and practical simulation skills using the Wokwi platform

STUDENT ACHIEVEMENTS

We are happy to announce that Mrs. R. Varshini and Mrs. A. Akalya from the AI & DS Department, Mrs. M. Ashika and Mr. Saravanan from the CSE Department, Mrs. R. Sumitha Sri and Mrs. A. Vergin Blessi from the ECE Department, Mrs. J. Joshi Rose from the EEE Department, and Mr. R. Sanjai from the MBA Department have been placed in Sutherland. In addition, 21 MBA students have been successfully placed in Margs Manpower / WWD Technology

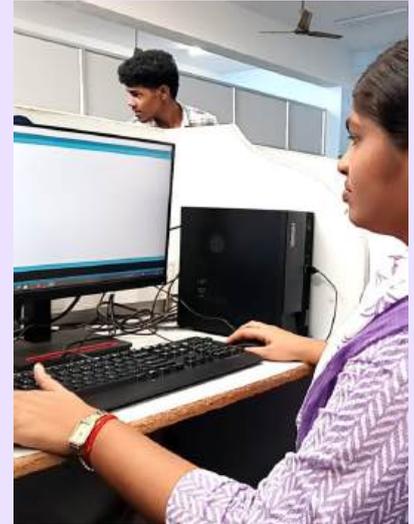

We are pleased to announce that 15 final-year students from the AI & DS and CSE Departments have been successfully placed in Q Spiders Software Solutions India Private Limited, Chennai. Additionally, four students have been placed in Pentagon Space Private Limited, Bengaluru

Our MBA students won prizes in the competitions held at Maruthupandian College for Face Painting, HR Games and Mime, showcasing their exceptional creativity, talent and dedication. Their outstanding performances reflected their enthusiasm, teamwork and commitment towards excellence, bringing laurels to the institution

STUDENT ACHIEVEMENTS

II Year ECE students Ms. Sahana, Ms. Pooja, and Ms. Monisha successfully completed a two-day Technical Skill Development Workshop on IoT (Hands-on Session) organized by IEEE COMSOC at Kings College of Engineering, Pudukkottai, held on 28th and 29th January 2026. The workshop enhanced their practical knowledge, technical skills, and hands-on experience in Internet of Things applications.

CAMPUS EVENTS AND FESTIVE HIGHLIGHTS

Pongal Celebration was held on 13/01/2026 by the blessings of Administrator Rev. Sr. Maria Alangaram and Principal Prof. Dr. I. Neethi Manickam, which beautifully reflects our culture, unity, and the joyful spirit of togetherness. Celebrating Pongal with tradition, talent and togetherness.

JP Phoenix Trophy '26

JP PHOENIX TROPHY '26 has been successfully conducted for the school students from 08.01.2026 to 10.01.2026. As part of the Inaugural Ceremony, a new volleyball court was inaugurated by our correspondent, Rev. Sr. Dr. I. Arockiamary, on 08.01.2026.

Professional Society of the Indian Welding Society

The inauguration of the Professional Society of the Indian Welding Society (IWS) was held on 12.01.26 in the Mechanical Engineering Department. Dr. B. Shanmugarajan, Honorary Secretary, IWS, and Dr. K. Devakumaran, Vice President (IWS), Southern Zone, inaugurated the society and delivered a technical talk

J.P. COLLEGE OF ENGINEERING
 Run by IWS Institute
 Affiliated to Anna University | Approved by AICTE
 Anna, Chennai - 600025

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Mutur **TECHNO Versatile**

FIVE DAYS VALUE ADDED COURSE

PCB DESIGN & FABRICATION

RESOURCE PERSON

- MR. PRADEEP K, FOUNDER & MASTER TRAINER.
- MR. EDITHIYA, CO-FOUNDER & TRAINER.
- MR. ABILESH MATHAVAN P. TRAINER.

JAN 19 TO 23, 2026 PARTICIPANTS: 1 YEAR ECE

9.30 am to 3.45 pm Venue: EDC LAB

Mrs. M. Shenbagavelli, HOD/ECE
 Ms. R. Rajeshwari, AP/EEE
 Event Co-ordinator

Dr. M. Rajkumar
 Principal

Rev. Sr. Dr. I. Arockia Mary
 Correspondent

The Department of Electronics and Communication Engineering conducted a five-day value-added course on PCB Design & Fabrication from 19.01.26 to 23.01.26 at the EDC Lab. The Resource person was Mr. Pradeep K, Founder, Mr. Edithiya & Mr. Abilesh Mathavan, Techno Versatile Chennai. The program was led by industry experts, and the first-year ECE students actively participated and benefited from the hands-on training.

Shell – Skills for Future

The Inaugural Ceremony of the Two Weeks Training Program on Green and AI Skills, under the “Shell – Skills for Future” initiative, was organized by J.P. College of Engineering in collaboration with Edunet Foundation and Shell Company and scheduled from 19th to 31st January 2026. All the Heads of the Departments of CSE, ECE, EEE, and IT successfully inaugurated the program. The event marked a significant step toward enhancing future-ready skills among students. The esteemed resource person for the program was Mrs. Vijayalakshmi Gnanavel.

Alumni Meet 2026

J.P. College of Engineering successfully organized Alumni Meet '26 with the blessings of Rev. Fr. Dr. J. E. Arul Raj, Founder & Chairman. The event was graciously supported by Rev. Sr. Dr. I. Arockia Mary, Correspondent, and led by Dr. M. Rajkumar, Principal. Alumni enthusiastically participated in the meet, which took place at St. Carlo Hall on 17th January 2026. The programme fostered reconnection, shared memories, and strengthened the bond between alumni and the institution

PCB Design

The Value Added Course on “PCB Design” for 1st and 2nd Year EEE students started on January 20, 2026. It is conducted by Dr. N. Pothirajan and Mr. Gowri Sankar, Hashan Medicare, Rajapalayam. The course provides hands-on experience in circuit design, layout, and PCB fabrication

Two-Day Young Creator Program (YCP)

The Department of CSE successfully organized a Two-Day Young Creator Program (YCP) in collaboration with ZOHO on 20.01.26, featuring Dr. Nandhakumar, Regional Product Evangelist – Higher Studies, Zoho Creator. The program, conducted for III Year CSE, ECE, and IT students, provided hands-on experience in app development, problem-solving, and digital innovation using Zoho Creator.

Government Exam awareness program

A government exam awareness program was conducted for civil engineering students on 22.01.26. It is conducted by Mr. V. Ashok Kumaran, Akash Academy, Tenkasi.

Faculty members from Fathima College, Madurai, visited the JPCOE MSME Business Incubation Centre. The project mentors—Dr. E. A. Mohamed Ali, Head of IQAC; Dr. T. Arun Srinivas, Head of R&D; and Mr. V. Ayyappan, Head of JPCOE MSME Business Incubation—provided a detailed explanation of the incubation facilities, ongoing projects, and entrepreneurial support initiatives.

Seminar on Blockchain

The Department of Computer Science and Engineering organized a Power Seminar on Blockchain on 20.01.2026. The seminar was successfully conducted with the active participation of 100 students. All participating students received Certificates of Appreciation, along with College Appreciation Certificates, in recognition of their involvement and engagement in the seminar.

National Voters Day

J.P. College of Engineering organized the National Voters Day Celebration in association with the National Service Scheme Club. The programme was organized by the Tenkasi District Election Officer and District Collector and was held on 23.01.2026

JPCOE NSS Club, in association with the Indian YRC Club, conducted an anti-drug and suicide prevention awareness program on 24.01.2026.

Soil Mechanics

A seminar on soil mechanics was conducted on 27.01.2026 for II and III year civil engineering students by Dr. S. Vanitha, Junior Associate Professor, Department of Civil Engineering, Kalasalingam University, Srivilliputhur.

The Beginner's Guide to UI/UX Design

Department of Information Technology's CSI Student Chapter organized a two-day workshop titled on "The Beginner's Guide to UI/UX Design", J.P. College of Engineering. The workshop was conducted on 28.01.26 and 29.01.26. The Resource person was C. Renuka, Technical Trainer, CADD Expert, Tenkasi

R. Carolyn Christina, Final Year IT, secured an international internship at Oncoshot Pvt. Ltd., Singapore. She underwent training in Artificial Intelligence and Machine Learning with a stipend of ₹20,000

Ministry of Skill Development and Entrepreneurship (MSDE)

Dr. E. A. Mohamed Ali and Dr.T.Arun Srinivas have been officially certified as a Certified Trainers—Wind Farm Engineers from the Skill India mission, which operates under Ministry of Skill Development and Entrepreneurship (MSDE)

Multifaceted Investigation of the Novel Hydrazone and Benzoic Acid Applications

Dr. S. L. Sathya Saibaba, AP/Chemistry, attended a three-day international conference at Gandhigram Rural Institute, Dindigul, and also presented a paper titled “Multifaceted Investigation of the Novel Hydrazone and Benzoic Acid Applications”

Dr. E. A. Mohamed Ali, ASP/ECE, Dr. T. Arun Srinivas, ASP/EEE and Mr. V. Ayyappan, AP/ECE successfully presented a research paper titled “Plant-Based Bioplastics in Circular Economy: A Low-Carbon Transition Framework for Sustainable Industrial Systems.” The paper was presented at the Two Days International Conference on “ESG: Sustainable Business Models—Industry to Economy,” organized by Mar Ivanios College (Autonomous), Thiruvananthapuram, in association with the Indian Accounting Association (IAA), Kerala Branch. The contribution highlighted innovation and sustainability, emphasizing global responsibility toward a low-carbon future.

Faculty Development Programme

Mrs. A. Shreen Farihan, AP/EEE, attended a six-day ATAL Faculty Development Programme on “Recent Trends in Solar Energy Conversion: From Silicon to Perovskite Photovoltaics” held at Jawahar Education Society’s A. C. Patil College of Engineering from 05.01.2026 to 10.01.2026

National Conference

The IT Department staff member, Mrs. R. Muthulakshmi, and students Ms. S. Sugirthana, Ms. M. Sugitha, and Ms. I. Velankani attended the national conference titled ‘A Comprehensive Systematic Review of AI-Driven Approaches to Self-Directed Learning’ at Knowledge Institute of Technology, Salem, on 18 and 19 December 2025.

FDP

Mrs. Chermakkani, AP/IT, and Mrs. S. Ramalakshmi, AP/IT, attended a 5-day national-level online FDP on "AI for Innovation, Startups, and Research Translation" at Christ The King Engineering College, Coimbatore, from 05.01.2026 to 09.01.2026.

Celebration

JPCOE celebrated the Pongal festival on 13.01.26 with great enthusiasm and traditional fervor. The celebration was graced by the presence of the Rev. Sr. Dr. I. Arockia Mary, Correspondent, Dr. M. Rajkumar, Principal, and the Rev. Fr.Arulanantham of the college management. Faculty members and staff members actively participated, and the event strengthened unity and cultural harmony among

National Girl Child Day

On National Girl Child Day, the Women Empowerment Cell of J.P. College of Engineering organized a special programme to empower and inspire the girl students. Mrs. B. Muthu Lakshmi, Advocate and Notary, graced the event as the chief guest and shared her valuable insights. The programme was successfully guided by Rev. Sis Dr. Arockiamary, whose dedication strengthened its impact

UPCOMING

J.P. College will continue to organize events ON 14.2.26 that promote fitness, social awareness, and community well-being. Join us in our future initiatives supporting a healthy, green, and drug-free society.

MOU

On 06 January 2026, CKEC formalized an academic partnership by signing a Memorandum of Understanding with Algebra Berneys University, Croatia

Foundation Stone laying

The foundation stone laying ceremony of CKEC MMI Father's Dream House was held on 12 January 2026 in the esteemed presence of Rev. Fr. Joseph William, Superior General, MMI, and Rev. Fr. Utriya Ratchaga Dass, School Correspondent.

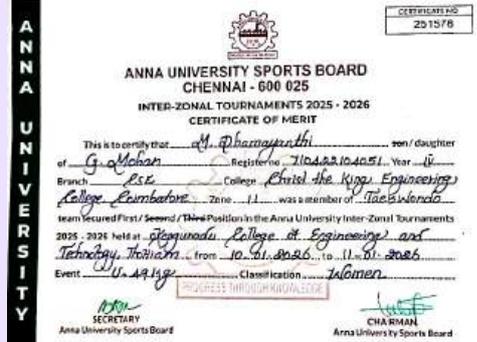

Venmani Award

Mr. S. Venmani Arul Selvan, PRO, was honoured with the Best Teacher Award by Vaagai Infotainments on 09 January 2026 in recognition of his dedicated service.

Dhamayanthi

Dhamayanthi M, a student of B.E. Computer Science and Engineering, secured First Place in Taekwondo (Under 49 kg category) at the Anna University Inter-Zone Competition held at Kongunadu College of Engineering and Technology, Thottiyam, Trichy, on 10–11 January 2025, bringing pride to the institution.

Marathon

CKEC NSS students actively participated in the Traffic and Anti-Drug Awareness Marathon organised by the Rotary Club of Karamadai on 11.01.2026 and received certificates.

Admission Pooja

The Admission Pooja for the upcoming academic year 2026–2027 was held on 12 January 2026. The ceremony was blessed by Rev. Fr. Rithish, Administrator of Christ the King School, seeking blessings for a successful admission season. The event was followed by the first admission enrollment, marking the beginning of admissions for the new academic year.

Pongal Photos

On 13 January 2026, the Pongal Festival “Nerkathir Nal Vizha” was celebrated through various department-wise activities, including Pongal preparation, Rangoli, Musical Chair, and traditional games. Both faculty and students actively participated, and the achievers were rewarded with special prizes. The occasion was graced by the presence of Fr. Raymond, Superintendent, Chennai Archdiocese

FDP

Department of ECE organizes 5 days FDP on In-Vitro Computing Of Scalable Materials - An Electronic Retrospection from 20.01.2026 To 24.01.2026

ABOUT THE OIEC
Christ the King Engineering College, established in 2003 at Coimbatore, Tamil Nadu, is a premier Institute offering AICTE approved engineering programs in India under the patronage of Anna University. The Institute boasts a robust academic infrastructure supported by highly qualified and dedicated faculty members, comprehensive up-to-date infrastructure and modern learning facilities.

ABOUT THE DEPARTMENT
The Department of Electronics and Communication Engineering, established in 2003, is committed to providing rigorous technical education and training to aspiring young students. The department boasts a team of eminent and experienced faculty members who are engaged in academic, industry and research. It is supported by well-equipped, spacious laboratories, learning centers and advanced equipment enabling its students to enhance their hands-on learning and practical knowledge.

CHIEF FACULTY
Dr. P. S. Kumar Murugan
Faculty
Dr. V. Robinson

RESOURCE PERSONS

Day 1
Dr. D. Selvakumar, Associate Professor, Department of ECE, PSG Institute of Technology and Applied Research, Coimbatore.

Day 2
Dr. A. Raju Chidambaram, Senior Lecturer, New Technology Career Station, Coimbatore.

Day 3
Dr. P. Praveen Kumar, Assistant Professor, Department of ECE, Anna University, Coimbatore.

Day 4
Dr. R. Raju Chidambaram, Associate Professor, Department of ECE, Anna University, Coimbatore.

Day 5
Dr. S. S. Srinivasan, Professor and Associate Director, Department of ECE, Christ the King Engineering College, Coimbatore.

Event Details
Event Dates: 20.01.2026 to 24.01.2026
Event Time: 10.30 AM to 12.30 PM
Event Date: 20.01.2026
Registration Link: <https://forms.gle/8L3333333333333333>
Registration Fee: Rs. 500/-

CKEC in association with News 7 Tamil Channel organised an awareness program "விழிப்பாய் இரு...நெருப்பாய் எழு..." on 22.01.2026.

NEWS 7 TAMIL

22. JANUARY 2026 AT 10.00 AM
VENUE: MOTHER VIRGIN AUDITORIUM

Industrial Expo at Codissia

Students from the Departments of AI & DS, IT, and ECE attended the Expo titled "NVIDIA Power World AI" held at CODISSIA, Coimbatore, on 23.01.2026.

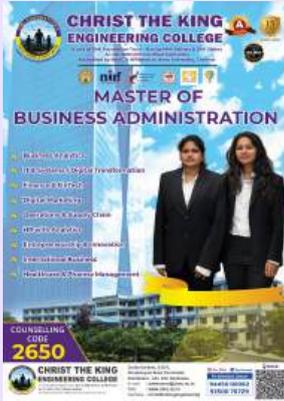

Student Achievement

Mr. S. Ashwin and Ms. C. Aswani, III Year AI & DS, participated and won First Place with a cash prize of Rs. 10,000 in the National Level Cyberathon held on 24.01.2026 at KG College of Arts and Science, Coimbatore.

MBA & ME Brochuer

A new college brochure highlighting the newly introduced M.E. and MBA courses for the upcoming academic year has been designed and shared across all social media platforms.

Expo - Thambu Education Fair

As part of the admission outreach activities for the upcoming academic year, the institution took part in an Education Expo on 26 January 2026 and visited neighbouring schools to gather the database of XII standard students.

Company Visit

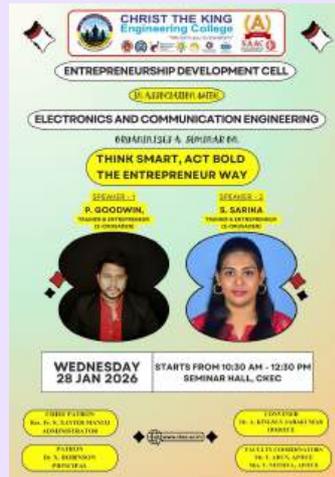

Dr. N. R. Gayathri, HoD / CSE along with faculty members, Mr. Ragnunath , CKEC Placement Director , Mr. S. Giridharan , AP/MECH visited various companies to explore and facilitate internship opportunities for students, strengthening industry collaboration and enhancing practical learning exposure.

EDC Cell

On 28 January 2026, the Department of ECE, in collaboration with the EDC Cell, conducted an Entrepreneurship Awareness Program entitled “Think Smart, Act Bold – The Entrepreneur Way.” The session was handled by Mr. P. Goowin (CKEC Alumni), e-Crusader, Coimbatore.

Motivational Talk

Dr. S. Logesh Kumar, Director (Academics), was the Resource Person for a motivational programme at St. Ann's College of Engineering and Technology, Panruti, on 28.01.2026.

MOU

As part of the MoU signed with Veranda Race, the institution received 40 books related to competitive examinations such as RRB, SSC, banking, and TNPSC. In addition, an awareness program on competitive examinations for government jobs was organized on 07.01.2026. The program featured Mr. Velumani Selvam, Operation Head, and Mrs. Christy Lavanya, Branch Head, Veranda Race Learning Solutions, as the resource persons.

Motivational Talk

Dr. S. Logesh Kumar, Director (Academics), was the Resource Person for a motivational programme at St. Ann's College of Engineering and Technology, Panruti, on 28.01.2026.

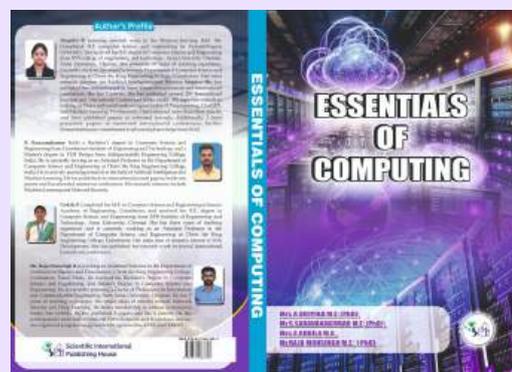

NSS – National Youth Day

Our college NSS unit, in association with SRKV College, jointly organized an awareness program and rally as part of National Youth Day celebrations on Swami Vivekananda’s birthday at Karamadai on 07.01.2026.

Faculty Achievements

Mrs. R. Deepika (AP/CSE), Mr. S. Saravanakumar (AP/CSE), Mrs. S. Gokila (AP/CSE), and Mr. Raja Monsingh (AP/AI & DS) have published a book titled “Essentials of Computing” (ISBN: 978-93-7196-785-3) with Scientific International Publishing House, marking a valuable academic contribution.

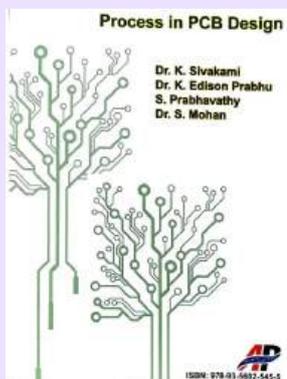

Faculty Achievements

Two book chapters titled “Biomass Waste: Processing, Valorization, Industrial Applications” have been published in Springer Nature. Contributing authors from our college include S. Gokila (CSE), M. Muthukrishnan (Mech), S. Karthik (Civil), and S. Dinesh Kirupha (S&H). Congratulations to our faculty for this significant academic achievement!

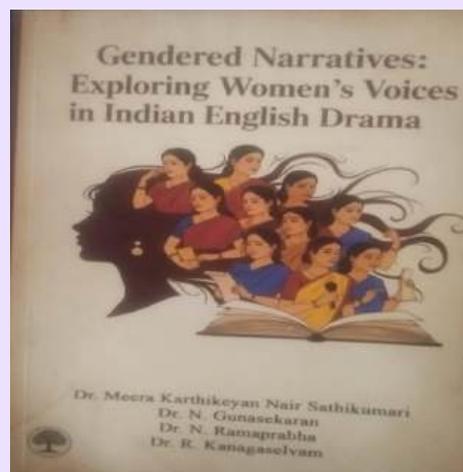

A Scopus-indexed book chapter titled “Biowaste Processing, Valorization, Industrial Applications” has been published in Springer by our faculty: Mr. Praveen (AP/Mech), Dr. Muthukrishnan (Director/IQAC), and Dr. Logesh Kumar (Director/Academics). Congratulations to them on this significant achievement!

Mrs. S. Prabhavathy, Assistant Professor, Department of ECE, has published a book titled “Process in PCB Design” with Akshayha Publishers, Coimbatore, highlighting her academic contribution and expertise in the field.

Dr. N. Ramaprabha, Assistant Professor, Department of Science and Humanities (English), published a book chapter titled “Gender Narratives: Exploring Women’s Voices in Indian English Drama”, marking a significant contribution to research in literature and gender studies

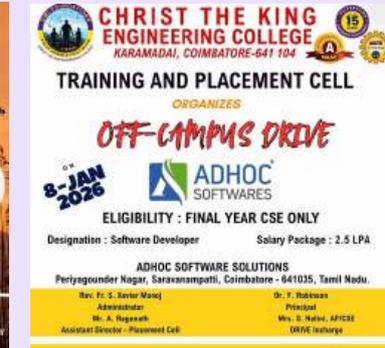

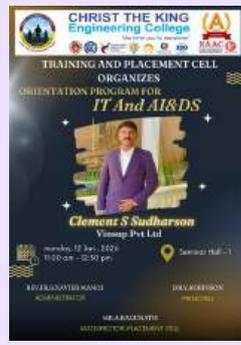

Faculty Achievements

A research paper authored by N. Manikandan, Muthu Krishnan M., and A. Praveen from the Department of Mechanical Engineering has been published in the Scopus-indexed conference proceedings of InCom 2026, held at Jadavpur University, Kolkata, from 8-10 January 2026.

Training & Placement

Various training and placement activities were conducted for our students to enhance their employability skills and prepare them for campus recruitment drives.

Tamil Mandram

On 31 January 2026, the CKEC Tamil Mandram conducted a Valli Gummi traditional cultural program of the Kongu region at the college ground. The programme was held in the esteemed presence of Dr. E. Muthusamy, Dr. E. Ayyasamy, and Dr. B. Lakshmi Ganthan (CKEC Alumni), with participation from doctoral members of the South Indian Cultural Research Centre

DEPT OF AI& DS U.M.A.G.I.N.E DX

The U.m.a.g.i.n.e DX programme, organized by the Department of Artificial Intelligence and Data Science in collaboration with ICT, was held on 6th January 2026 at the CSE Seminar Hall. The programme began with a Felicitation Address by Dr. A. Albert Raj, Principal, who appreciated the organizing team and encouraged active student participation.

The Chief Guest Address by Mr. R. Sakthi Babu and Mr. Jayaraj Alagarsamy from HCL Technologies focused on industry trends, AI tools, prompt engineering, and the importance of strong programming fundamentals and ethical practices. A panel discussion moderated by Mr. Abisek Gibson highlighted career opportunities, hiring expectations, innovation, and soft skills. The programme also featured idea presentations by 14 student teams, showcasing innovative solutions and technical competence. Overall, the U.m.a.g.i.n.e DX programme was a successful industry-academia interaction that enhanced student learning and engagement.

FDP

The Department of Artificial Intelligence and Data Science, in association with the Coding Club, organized a National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning & Cloud-Based AI Tools” from 2 to 7 January 2026. The six-day online program witnessed active participation from faculty members, research scholars, and academicians from across the country.

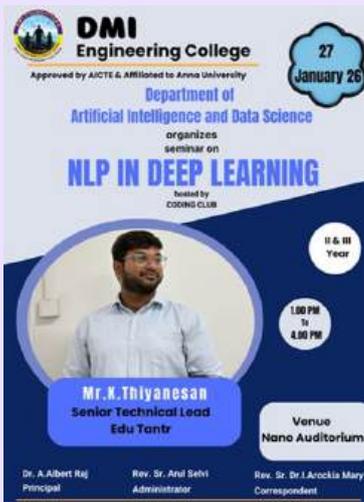

The FDP aimed to provide an in-depth understanding of recent advancements in Machine Learning, Deep Learning, and cloud-based AI tools. Sessions covered key concepts, modern algorithms, neural networks, deep learning architectures, and practical approaches to AI model development. Special emphasis was given to the use of cloud platforms for scalable AI development, efficient model training, and real-time deployment.

Interactive sessions, demonstrations, and discussions allowed participants to gain hands-on experience and stay updated with current research and industry trends. The programme concluded successfully with positive feedback, achieving its goal of enhancing professional competence and encouraging the effective integration of advanced AI technologies in teaching and research.

SEMINAR

The Department of Artificial Intelligence and Data Science, along with the Coding Club, organized a seminar on "NLP in Deep Learning" on 27 January 2026. The seminar was delivered by Mr. K. Thiyanesan, Senior Technical Lead, Edu Tantr. He provided a clear overview of Natural Language Processing concepts and explained how deep learning techniques enhance language understanding.

The session covered key topics such as text preprocessing, neural networks for NLP, and practical applications including chatbots, sentiment analysis, and language translation. He also highlighted current industry trends and career opportunities in NLP. The seminar was informative and interactive, helping students gain practical insights and strengthen their knowledge in emerging AI technologies. Students actively participated in the interactive session. The event concluded with a Q&A session, where he addressed individual queries related to job applications, internships, and digital presence

MOU-EDU TANTR

The Department of Artificial Intelligence and Data Science, DMI Engineering College, entered into a Memorandum of Understanding (MoU) with EduTantr Company on 27 January 2026 to promote industry-integrated learning and skill development. The collaboration focuses on bridging the gap between academic curriculum and industry expectations by offering hands-on training, expert talks, workshops, internships, and real-time project exposure in Artificial Intelligence and Data Science. Faculty members benefit through Faculty Development Programs (FDPs) and collaborative academic activities with industry experts. This MoU enhances students' technical competence, employability, and practical knowledge while strengthening industry-academia interaction

OPEN AI LLM INTEGRATION

The Department of Artificial Intelligence and Data Science, along with the Coding Club, organized a workshop on "Open AI LLM Integration" on 28 January 2026 for II Year AI&DS Students. The workshop was delivered by Mr. Satheesh Kumar, Founder, Agile Tribers and Mr Saran, Software Developer, Agile Tribers

The session introduced students to the fundamentals of Large Language Models and the role of OpenAI in modern application development. Hands-on training was provided on integrating OpenAI LLMs using APIs, with demonstrations on text generation, prompt design, and conversational applications. Students actively participated in practical exercises and explored real-time use cases. The workshop successfully enhanced students' understanding of generative AI and its practical applications.

MOU-AGILE TRIBERS

The Department of Artificial Intelligence and Data Science, DMI Engineering College, signed a Memorandum of Understanding (MoU) with Agile Tribers Company on 28 January 2026 to strengthen academic-industry collaboration in Artificial Intelligence and Data Science. The MoU aims to bridge the gap between academic learning and industry requirements by providing students and faculty with exposure to emerging technologies, industry practices, and real-world applications. The collaboration includes expert lectures, training programs, workshops, internships, live projects, and Faculty Development Programs (FDPs). This partnership enhances skill development, employability, and research opportunities for students and faculty, thereby supporting quality education and industry-oriented learning.

5 DAYS FDP ON MONGODB ASSOCIATE DEVELOPER

Day 5 of the Faculty Development Program on MongoDB Associate Developer concluded with a valedictory function, followed by certificate distribution to the participants. The principal's address highlighted the importance of continuous faculty upskilling and encouraged participants to apply the acquired knowledge in teaching and research.

A feedback session was conducted, during which participants shared their valuable feedback and expressed their appreciation for the informative and well-structured sessions. The program ended on a positive note, marking the successful completion of the Faculty Development Program.

WEBINAR HOW TO PREPARE A RESEARCH ARTICLE FOR CONFERENCE AND JOURNAL PUBLICATION

The Department of Artificial Intelligence and Data Science, in association with the Coding Club, organized a webinar titled "How to Prepare a Research Article for Conference and Journal Publication" on 31 January 2026 through Google Meet at 6:00 PM. The webinar was conducted for III and IV year AI&DS students.

The session was handled by Ms. Dancy Mabusha, a final-year AI&DS student. The objective of the webinar was to introduce students to the fundamentals of research writing and publication processes. She explained the essential components of a research article, including paper structure, abstract preparation, methodology presentation, and conclusion writing. She also discussed plagiarism awareness, citation methods, and the selection of suitable conferences and journals.

FACULTY CORNER - AI & DS

Dr. B. Baron Sam, Department of Artificial Intelligence and Data Science, participated in the six-day National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning, and Cloud-Based AI Tools” organized by DMI Engineering College, from 2nd to 7th January 2026.

Mrs. C. Ajila Jaya Reeta, Department of Artificial Intelligence and Data Science, participated in the six-day National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning, and Cloud-Based AI Tools” organized by DMI Engineering College, from 2nd to 7th January 2026.

Mrs. S. L. Sindha Devi, Department of Artificial Intelligence and Data Science, participated in the six-day National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning, and Cloud-Based AI Tools” organized by DMI Engineering College, from 2nd to 7th January 2026.

Mrs. Aloysius Jelcy S, Department of Artificial Intelligence and Data Science, participated in the six-day National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning, and Cloud-Based AI Tools” organized by DMI Engineering College, from 2nd to 7th January 2026.

Dr. B. Baron Sam, Department of Artificial Intelligence and Data Science, participated in the six-day Atal Faculty Development Program on “IoT-Driven Embedded Technologies for Real-World Automation,” organized by Arunachala College of Engineering for Women, from 19th to 24th January 2026.

Mrs. S. L. Sindha Devi, Department of Artificial Intelligence and Data Science, participated in the six-day Atal Faculty Development Program on “IoT-Driven Embedded Technologies for Real-World Automation,” organized by Arunachala College of Engineering for Women, from 19th to 24th January 2026.

FACULTY CORNER - AI & DS

Mrs.S.Reny Department of Artificial Intelligence and Data Science, participated in the six-day National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning, and Cloud-Based AI Tools” organized by DMI Engineering College, from 2nd to 7th January 2026.

Mrs.S.Reny, Department of Artificial Intelligence and Data Science, participated in the six-day Atal Faculty Development Program on “Empowering Educators through the essence of Artificial Intelligence and Data Science with Human Values” organized by Sree Budha College of Engine

Mrs.S.Reny, Department of Artificial Intelligence and Data Science, participated in the one-day Faculty Development Program on “Empowering Faculty with Artificial Intelligence Tools” organized by PET Engineering college, on 1 7h January 2026.

Mrs.C.Ajila Jaya Reeta, Department of Artificial Intelligence and Data Science, participated in the six-day Atal Faculty Development Program on “IoT-Driven Embedded Technologies for Real-World Automation,” organized by Arunachala College of Engineering for Women, from 19th to 24th January 2026.

Mrs. S. L. Sindha Devi, Department of Artificial Intelligence and Data Science, successfully completed the course titled “Spring Data JPA with Boot,” conducted on 8th January 2026 through Infosys Springboard.

Mrs.M.R.Geetha Department of Artificial Intelligence and Data Science, participated in the six-day National Level Online Faculty Development Program on “Emerging Trends in Machine Learning, Deep Learning, and Cloud-Based AI Tools” organized by DMI Engineering College, from 2nd to 7th January 2026.

FACULTY CORNER - AI & DS

Mrs.S.Reny, Department of Artificial Intelligence and Data Science, participated in the one-day Faculty Development Program on “AI Tools for Research Writing” organized by PET Engineering college, on 8th January 2026.

Mrs.S.Reny, Department of Artificial Intelligence and Data Science participated in the one-day Faculty Development Program on Crafting Quality Research. Papers: “Techniques, Tools & Best Practices,” organized by PET Engineering College, on 12th January 2026.

Mrs.S.Reny, Department of Artificial Intelligence and Data Science, participated in the one-day Faculty Development Program on “Empowering Faculty with Artificial Intelligence Tools” organized by PET Engineering college, on 17th January 2026.

Mrs.S.Reny, Department of Artificial Intelligence and Data Science, Intelligence and Data Science, participated in the six-day Atal Faculty Development Program on “IoT-Driven Embedded Technologies for Real-World Automation,” organized by Arunachala College of Engineering for Women, from 19th to 24th January 2026.

STUDENT CORNER - AI & DS

Ms Lipna Thanusha A, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 22nd December 2025.

Ms Anjelin Sweetly J, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 22nd December 2025

Mr.Siva Balan II yr AI&DS has successfully completed the Internship Program at Zoro Tech, conducted from 06 th dec to 29th December 2025

Ms. Arthi.V, II yr AI&DS, has successfully completed the workshop in Prompt Engineering at Aloinfotech conducted on 3rd January 2026.

Ms Mincia, II yr AI&DS has successfully completed the Internship Program at Feather Software, conducted from December 2025 to 06 January 2026.

Mr. Pritheve Kumar. K, II yr AI&DS, has successfully completed the Internship Program at Jclick, conducted from 8th December 2025

STUDENT CORNER - AI & DS

Mr.Raja Jebin.M, II yr AI&DS has successfully completed the Internship Program at Matt Engineering Solutions, conducted from 12th to 19th January 2026.

Mr.Rajesh R, II yr AI&DS has successfully completed the Internship Program at Matt Engineering Solutions, conducted from 12th to 19th January 2026

Mr.Ram Sujith.S, II yr AI&DS has successfully completed the Internship Program at JCS InfoTech, conducted from 22nd 2025.

Ms. Arthi.V, II yr AI&DS, has successfully completed the workshop in Prompt Engineering at AIOinfotech conducted on 3rd January 2026.

Mr.Ridleson.M, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 26nd December 2025

Ms.Sangeetha.S, II yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

STUDENT CORNER - AI & DS

Mr.Shajen.S, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 26nd December 2025

Mr.Siva Bharath.A, II yr AI&DS has successfully completed the Internship Program at T Software Solution, conducted from 10th to 20th December 2025

Ms.Subha Sree.V.A, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 15th to 26nd December 2025

Mr.Surya.M, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 23rd December 2025

Ms.Thatchaya.N, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 19th December 2025

Ms Uma Devi.T, II yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 8th to 26nd December 2025

Ms. Uma Devi T., II Year AI&DS, has successfully participated in the Speech Competition organized by Thovalai Ilakkiya Mandram on 17 January 2026 and received the 3rd prize.

STUDENT CORNER - AI & DS

Mr.Ajay Subramoni.A, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 22th December 2025 to 3rd January 2026.

Ms.Anamika.A, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Anamika, III yr AI&DS has successfully completed the Internship Program at ZORO TECH, conducted from 17th December 2025 to 9th January 2026.

Ms.Anisha.R, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th to 9th January 2026.

Ms.Anushiya.D, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Anisha.D, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Anushiya.D, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th December 2025 to 9th 2026.

STUDENT CORNER - AI & DS

Mr.Aravind.P, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Denslin Nimisha.J.V, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th December 2025 to 8th January 2026.

Ms.Stany.D, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Praini.P, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Sweetson.T, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 22nd December 2025 to 3rd January 2026.

Mr.Aswin.S, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th December 2025 to 8th January 2026.

Ms.Praini.P, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th December 2025 to 9th January 2026.

STUDENT CORNER - AI & DS

Mr.Aravind.P, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026.

Ms.Rajalekshmi.M, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th December 2025 to 8th 2026.

Ms.Rajeshwari.M, III yr AI&DS has successfully completed the Internship Program at ZORO TECH, conducted from 17th December 2025 to 9th January 2026.

Ms.Reshma Jenifer,J, III yr AI&DS has successfully completed the webinar at NIM Academy, conducted on 24th January 2026

Ms.Reshma Jenifer,J, III yr AI&DS has successfully completed the Internship Program at ZORO TECH, conducted from 17th December 2025 to 9th January 2026.

Mr.Sahaya Revin.P, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 22nd 2026.

Ms.Shanya Flower.S, III yr AI&DS ha successfully completed the webinar a NIM Academy, conducted on 24t January 2026

STUDENT CORNER - AI & DS

Ms.Sruthi.R, III yr AI&DS has successfully completed the Internship Program at NIM Technology, conducted from 16th December 2025 to 27th December 2025

Ms.Stany.D, III yr AI&DS has successfully completed the Internship Program at ZORO TECH, conducted from 17th December 2025 to 9th January 2026.

Ms Aparjitha K.L, II Year AI&DS has successfully completed the Industry 4.0 Certification Program conducted on 3rd Dec 2025 to 3rd January 2026 by Creoleap Technologies Pvt. Ltd.

Mr.Maga Guru.K, III yr AI&DS has successfully completed the Internship Program at Jclick Solutions, conducted from 18th December 2025 to 8th January 2026.

Ms.Uma Maheshwari.C, III yr AI&DS has successfully completed the Internship Program at NIM Technology, conducted from 16th December 2025 to 27th December 2025.

G.Immanuel Dept of AI&DS final year student has successfully completed the course on Python and Dhango full stack web developer Bootcamp.

WORKSHOP AND SEMINAR

The Department of Business Administration, in association with the IQAC and the IIC, organised a thought-provoking workshop on “Sustainable HRM: Green HR Practices for the 2030 Workforce” on 08th January 2026. The session was led by Dr. Babita Prem, Associate Professor, School of Management, S.A. College of Arts & Science. The workshop offered valuable insights into environmentally responsible human resource practices, highlighting the evolving role of HR in building a sustainable, future-ready workforce.

Acknowledging the importance of assessing technological maturity in innovation and research, the Department of Computer Applications, in association with IQAC and IIC, organized a seminar on “Expert Talk on Technology Readiness Level” on 8th January 2026. The session was led by Dr. S. Muthukumaran, Assistant Professor, Department of Advanced Computing and Analytics, School of Computing Sciences, Vels Institute of Science, Technology and Advanced Studies (VISTAS), Chennai, who shared expert insights on evaluating and implementing technology at various stages of readiness.

2.1 Resource person Dr. S. Muthukumaran actively engaging students during the Expert Talk on Technology Readiness Level.

Enhancing the participants' understanding of the significance of spectrophotometric and calorimetric techniques in advanced biological and biochemical research, the Department of Biotechnology, in association with IQAC and IIC, organized a seminar on “Synergistic Use of Spectrophotometry and Calorimetry” on 10th January 2026. The session was led by Dr. Auxzilia Preethi K, Assistant Professor, Department of Advanced Zoology and Biotechnology, St. Joseph’s University, Chennai.

WORKSHOP AND SEMINAR

1. Recognizing the growing impact of digitalization on academic research and scholarly communication, the PG Department of Commerce, in association with IQAC and IIC, organized a seminar on “Emerging Digital Trends in Research Project Management and Scholarly Publishing” on 22nd January 2026. The session was led by Dr. D. Jayaprakash, Assistant Professor and Head, Department of Accounting and Finance, Dwarka Doss Goverdhan Doss Vaishnav College (Autonomous), Chennai, who provided valuable insights into contemporary digital tools and evolving practices in research management and academic publishing.

Recognizing the rapid transformation of financial systems through digital innovation, the Department of Accounting and Finance, in association with IQAC and IIC, organized a seminar on “FinTech Revolution: Transforming Traditional Finance” on 21st January 2026. The session was led by Dr. R. Subasree, Assistant Professor, Department of Business Administration, St. Thomas College of Arts and Science, Chennai, who highlighted the evolving role of financial technology in reshaping conventional financial practices.

Participants gaining insights from Dr. R. Subasree during the seminar on FinTech Revolution: Transforming Traditional Finance

Emphasizing the need to equip students with industry-relevant competencies beyond academic knowledge, the Department of Business Administration, in association with IQAC and IIC, organized a seminar on “Corporate Reality Check: Skills Beyond the Syllabus” on 23rd January 2026. The session was led by Dr. S. Ganapathy, IQAC Coordinator, Assistant Professor and Head, Department of Corporate Secretaryship, S.A. College of Arts and Science, Chennai, who shared practical insights into essential workplace skills and professional readiness

CLUBS AND COMMITTEES

Promoting the importance of literacy and fostering a culture of reading among students and the general public, the National Service Scheme (NSS) Unit – 237 actively participated in the 49th Chennai Book Fair Rally on 03rd January 2026, which was inaugurated by the Honourable Minister for School Education, Government of Tamil Nadu, Mr. Anbil Mahesh Poyyamozhi, in the presence of Ms. Priya Rajan, Mayor of Chennai, along with other distinguished dignitaries.

With the objective of empowering students through creative skill development, the Women Empowerment Cell, in collaboration with Pidilite Fevicryl / Skill Development, and in association with IQAC and IIC, organized a Hands-on Art Training Programme on 06th, 07th, and 08th January 2026. Each day of the program focused on fabric painting, glass painting, and mandala art, respectively. The sessions were led by Mrs. C. Umamaheshwari, Art Trainer, Pidilite Fevicryl, Chennai, who guided the students through various art forms using practical demonstrations and interactive techniques.

CLUBS AND COMMITTEES

Keeping with the spirit of Pongal, on 9th January 2026, the Health Club organized a Food Stall Competition titled “Taste of Tradition”, providing students with a platform to showcase their culinary skills while celebrating traditional cuisines and promoting teamwork and creativity

With the aim of promoting social responsibility and humanitarian values among students, the National Service Scheme (NSS) Unit – 237, in association with IQAC and IIC, organized a Blood Donation Camp on 20th January 2026, in collaboration with the Department of Transfusion Medicine, Tamil Nadu Dr. M.G.R. Medical University, Guindy, Chennai. The camp witnessed active participation from students and staff.

With the objective of creating awareness on sustainable waste management practices through creative expression, the Cultural Committee, in association with IQAC and IIC, organized an intra-department competition titled “Reels Contest” on 22nd January 2026. The competition encouraged students to create short videos based on themes such as improving waste segregation and achieving zero waste to landfill; creative skits or prank encounters promoting proper waste disposal; catchy slogans, voiceovers, or rap-style messages; and storytelling that demonstrated the three-bin system in everyday life.

CLUBS AND COMMITTEES

Recognizing the growing relevance of digital media and content creation, the Incubation Center and IIC, in association with the Tamil Nadu Advanced Technical Training Institute (TATTI), organized a workshop on “Vertical Video” on 22nd January 2026. The session was led by Ms. Sai Kripa, Head, Placement & Career Guidance, TATTI, who shared practical insights into creating effective vertical video content for contemporary digital platforms.

With the aim of strengthening alumni engagement and fostering lasting connections, the Alumni Association organized “Joseph’s Connect”—an Alumni Meet on 26th January 2026. The event brought together graduates of the institution, providing a platform to reconnect, share experiences, and celebrate cherished memories associated with their time at the college.

TRAINING AND PLACEMENT CELL

To guide students in exploring opportunities in public service, the Training and Placement Cell, in association with IQAC and IIC, organized a seminar on “Central Government Examinations: Career Pathways and Preparation” on 20th January 2026. The session was led by Mr. Tilak, SSC Team Leader, Veranda Race Learning Solutions Pvt. Ltd., who provided valuable insights into exam patterns, preparation strategies, and career pathways in central government services

TRAINING AND PLACEMENT CELL

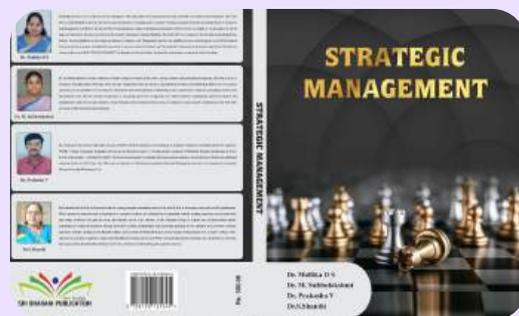

Understanding the inhibitions students face before their first interview, the Training and Placement Cell, in association with IQAC and IIC, organized a seminar on “How to Crack Your First Interview: An Interview Readiness and Mock Interview Workshop” on 27th January 2026. The session was led by Ms. Sreenidhi, Corporate Trainer, ISSM Business School, who guided students on effective interview techniques and provided hands-on mock interview experience to enhance their employability skills.

OUTREACH PROGRAMME

From 18th to 26th January 2026, students of the Department of Social Work participated in an educational tour to Secunderabad, designed to provide practical knowledge and experiential learning beyond the classroom. The tour offered informative and enjoyable experiences while also fostering discipline, teamwork, and social interaction among the students.

STAFF ACHIEVEMENT

Dr. S. Shanthi, Assistant Professor, Department of Commerce, has recently authored and published a book titled “Strategic Management”, contributing to academic literature in the field of commerce and management studies.

Dr. N. Nirmaladevi, Assistant Professor, Department of Computer Applications, has recently published a research article titled “Awareness of Information and Communication Technologies among Arts and Science College Students in Kancheepuram District,” contributing valuable insights into ICT literacy and adoption in higher education.

Virginammal Memorial Grand Sports and Cultural Fest 2026

The Department of Physical Education successfully organised the Sister Virginammal Memorial Grand Sports and Cultural Fest 2026 from 06th to 08th January 2026. The three-day event witnessed enthusiastic participation from various schools, creating an atmosphere of sportsmanship, cultural harmony, and healthy competition. Students competed with great zeal in a wide range of games, including football, kho-kho, throwball, Kabaddi, volleyball, and Basketball, making the fest a vibrant celebration of talent, teamwork, and physical excellence. Mr. K. Arasu, Thandalam Panchayat President, Professor M. J. Xavier, CEO, DFT Group of Institutions, Rev. Sr. M.K. Teresa, Director- Administrator, DFT Group of Institutions and Dr. L. M. Merlin Livingston, Director – Quality Control, DFT Group of Institutions, graced the occasion as chief guests on the respective days of the event.

Fundamentals of Computer Hardware and Internet Awareness

Aiming to enhance digital literacy and awareness among students, the Department of Computer Applications and Department of Computer Science with Data Science, in association with IQAC and IIC, organized a social activity on “Fundamentals of Computer Hardware and Internet Awareness” on 07th January 2026. The sessions were led by Mr. S. Konguvel, Assistant Professor, Department of Computer Applications, and Mrs. D. Kalaiyarasi, Assistant Professor, Department of Computer Science with Data Science, who guided students on essential hardware concepts and safe, effective use of the internet

AI-Powered Cyber Attacks and Modern Security Challenges

To enhance students’ awareness of contemporary cybersecurity issues, the Department of Computer Science, in association with IQAC and IIC, organized an ICT Skills Programme on “AI-Powered Cyber Attacks and Modern Security Challenges” on 08th January 2026. The session was led by Mr. Praveen Pandiyan, Cyber Security Researcher, IAT Technologies, Image Creative Education, who provided insights into emerging cyber threats and strategies to safeguard digital assets.

Pongal

On 9th January 2026, the IQAC, in association with IIC, organized the Pongal Celebration at the college, fostering cultural awareness and community engagement among students and staff while commemorating the traditional harvest festival.

Free Skill Development Programme cum Soft Skill Training Course

From 21st to 23rd January 2026, “Nirmaan” Organization conducted a “Free Skill Development Programme cum Soft Skill Training Course” exclusively for final-year UG and PG female students. The sessions were handled by experienced trainers from Nirmaan, and the students actively participated with enthusiasm throughout the three-day programme, gaining practical skills and enhancing their professional readiness

To highlight the integration of technology in modern business practices, the Department of Commerce, in association with IQAC and IIC, organized a collaborative activity on “Bridging Commerce and Technology through SAP Integration” on 23rd January 2026. The session was led by Thirumagal M, Zone Manager, Tech Maax Computer Education, who demonstrated practical applications of SAP in streamlining commerce and enhancing business processes.

Republic Day

The college also celebrated 77th Republic Day on 26th January 2026, commemorating the adoption of the Constitution of India and reaffirming the values of unity, democracy, and national integrity

The Training and Placement Cell, in association with the NIRMAN Foundation, is proud to organize MEGA Career Fair 2K26 on 30th January 2026. This career fair aims to provide students with an exceptional platform to explore diverse job opportunities, interact with industry professionals, and gain insights into the latest trends in the job market. All UG and PG Final Year students were encouraged to participate.

On 30th January 2026, Lt. Col. Rajiv Menon, Officer Commanding, 1 TN Signal Company, NCC Army Wing, visited the college to officially meet the cadets and oversee the Oath-Taking Ceremony. The event provided an opportunity for cadets to interact with their commanding officer, reinforce discipline, and reaffirm their commitment to the values and responsibilities of the NCC.

Free Skill Development Programme cum Soft Skill Training Course

From 21st to 23rd January 2026, “Nirmaan” Organization conducted a “Free Skill Development Programme cum Soft Skill Training Course” exclusively for final-year UG and PG female students. The sessions were handled by experienced trainers from Nirmaan, and the students actively participated with enthusiasm throughout the three-day programme, gaining practical skills and enhancing their professional readiness

To highlight the integration of technology in modern business practices, the Department of Commerce, in association with IQAC and IIC, organized a collaborative activity on “Bridging Commerce and Technology through SAP Integration” on 23rd January 2026. The session was led by Thirumagal M, Zone Manager, Tech Maax Computer Education, who demonstrated practical applications of SAP in streamlining commerce and enhancing business processes.

Republic Day

The college also celebrated 77th Republic Day on 26th January 2026, commemorating the adoption of the Constitution of India and reaffirming the values of unity, democracy, and national integrity

The Training and Placement Cell, in association with the NIRMAN Foundation, is proud to organize MEGA Career Fair 2K26 on 30th January 2026. This career fair aims to provide students with an exceptional platform to explore diverse job opportunities, interact with industry professionals, and gain insights into the latest trends in the job market. All UG and PG Final Year students were encouraged to participate.

On 30th January 2026, Lt. Col. Rajiv Menon, Officer Commanding, 1 TN Signal Company, NCC Army Wing, visited the college to officially meet the cadets and oversee the Oath-Taking Ceremony. The event provided an opportunity for cadets to interact with their commanding officer, reinforce discipline, and reaffirm their commitment to the values and responsibilities of the NCC.

JP Phoenix Trophy 2026

The JP Phoenix Trophy 2026 was successfully conducted from 8 to 10 January at the JP Group of Institutions. Though it was the inaugural edition, the event reached schools and sports clubs across the region. Numerous players and athletes participated actively. Under the guidance of Rev. Sr. Dr. I. Arockia Mary, Correspondent, JP Group of Institutions, the tournament brought widespread recognition to the institution.

Pongal Celebration on Campus

The campus celebrated Pongal on 13 January 2026 with great enthusiasm. Traditional Pongal was prepared, Tamil folk games were conducted, and a vibrant cultural programme added colour to the celebration.

Workshop on the Farming Cycle

The Department of Chemistry organized a workshop titled “The Farming Cycle” on 6 January 2026. Ms. Dharani G. Murugan, Assistant Seed Officer, Department of Agriculture, Tenkasi, served as the invited resource person and shared valuable insights into modern agricultural practices.

New Year Outreach Programme

In the first week of January 2026, a college outreach team led by Rev. Sr. Jude Lisa visited several schools across Tenkasi District. The team conveyed New Year wishes and distributed the college calendar to all the schools as part of community engagement.

Workshop on Financial Wisdom

On 08-01-2026, the Department of Commerce (Batch I), in association with the Association of Mutual Funds in India (AMFI), organized a workshop on “Financial Wisdom.” Mr. Veera Brahma Rao Arekapudi, Senior Consultant, AMFI, was the chief guest for the programme

Handson Training in Data Science

A hands on training programme titled “Unlocking Data Science through Python” was jointly organized by the Department of Electronics and Communication and the Shannon Connect Club on January 7, 2026. The session was conducted by Prof. Aruna, Assistant Professor, CSE, Dayananda Sagar College of Engineering, Bengaluru

Club Activities for Undergraduate Students

Club activities for undergraduate students were conducted in phases: firstyear students on 5 January, secondyear students on 7 January, and thirdyear students on 9 January 2026. Activities included a Snap Talk on “Youth Power Keeps Democracy Alive” and two other interactive events. Students participated with great enthusiasm

Career Opportunities Workshop

The Department of Commerce with Professional Accounting organized a workshop on “Exploring Career Opportunities in the Modern World” on 8th January 2026. Ms. A. Mahalakshmi, HR Manager and Software Trainer from Kottakulam, was the resource person

Youth Red Cross Inauguration and Awareness Programme

Mr. Sivaselva Ganesh, Assistant Professor of Tamil, served as the special guest on 08-10-2026 for the Youth Red Cross inauguration and an awareness programme on drug abuse held at Vivekananda College of Arts and Science, Vellankulam.

Department Advisory Board Meeting – Computer Science

The Department of Computer Science conducted its Department Advisory Board Meeting on 08 January 2026 in virtual mode at the conference hall. Eminent academician Dr. P. Kumar from M.S. University, along with faculty members, industry experts, alumni, and student representatives, participated in the meeting.

NSS Rally on Social Harmony

On 9 January 2026, the National Service Scheme (NSS) of the college conducted a Rally on Social Harmony at Ayikudi Village. The rally was inaugurated by Mr. Joseph, SubInspector of Police, Ayikudi, and covered four streets of the village.

Seminar on NewAge Commerce Careers

The Department of Commerce with Corporate Secretaryship organized a seminar titled “Accounting, Analytics, and Beyond: NewAge Commerce Careers” on 09-01-2026. Mr. S. Abdul Gafoor, Head of Synergy Business Accounting and Taxation Training Institute, Tenkasi, was the chief guest.

Seminar on the Essence of Astronomy

The Departments of Mathematics and Physics jointly organized a seminar on “The Essence of Astronomy” on 12-01-2026. Dr. A. Andrew Michael, Assistant Professor of Mathematics, Sathyabama Institute of Science and Technology, Chennai, was the resource person.

one-day workshop

The Department of Commerce Batch II, organized a one-day workshop on “Goods and Services Tax (GST): Concepts and Practical E-Filing Procedures” on 20th January 2026. The resource person, Dr. P. Murugan, Assistant Professor, PG & Research Department of Commerce, Vivekananda College, Madurai, was formally introduced and he handled the technical session with great clarity and practical orientation

A Harvest of Harmony: DMI Celebrates Pongal 2026

Under the guidance of Sr. Hamlet, Administrator, and the leadership of Dr. D.A. Dency, Principal, DMI College of Education joyfully celebrated Pongal on January 13, 2026. The day began with a prayerful inauguration graced by Rev. Fr. Prince and Sr. Nambikkai Mary, whose reflections highlighted gratitude, hard work, and unity.

The traditional Sakkarai Pongal preparation, accompanied by cheerful cries of “Pongalo Pongal!”, symbolized abundance and togetherness. Cultural performances, including folk dances and songs, added vibrancy to the celebration, while fun activities like Musical Chair brought laughter and camaraderie.

The celebration beautifully reflected the spirit of renewal, prosperity, and harmony.

Faculty Development Program

Cultivating Pedagogical Excellence: A Specialized Faculty Development Program

On January 9, 2026, DMI College of Education conducted a focused Faculty Development Program under the guidance of Sr. Hamlet and the leadership of Dr. D.A. Dency, Principal. The program aimed at strengthening pedagogical skills and integrating modern teaching frameworks into everyday classroom practice.

Dr. D.A. Dency emphasized the need to align teaching with evolving educational standards, while Sr. Hamlet highlighted the importance of combining innovation with moral and ethical values in education.

The FDP featured expert-led sessions on applying Bloom’s Taxonomy, micro-teaching strategies, effective use of Google Classroom, and the historical and pedagogical dimensions of Tamil language teaching aligned with NEP 2020 and TNTEU guidelines. Faculty members also engaged in reflective discussions to plan practical implementation in their respective subjects.

The program reaffirmed DMI College of Education’s commitment to academic excellence and future-ready teaching.

“Teaching is the greatest act of optimism.” – Colleen Wilcox

Cultivating Pedagogical Excellence: Faculty Development Program – II – January 31, 2026

FDP-II further strengthened faculty competencies through expert-led workshops focused on modern and student-centered teaching strategies.

- Mrs. B. Ezhilarasi – Sarva Shiksha Abhiyan (SSA) in Contemporary Education
- Dr. M. Kalaimathi – Teaching and Learning with Digital Tools
- Dr. U. Jayasubramanian – Maslow’s Hierarchy in Educational Contexts
- Dr. P. Jayachandran – Language Across the Curriculum

The sessions emphasized innovative pedagogical approaches aligned with NEP 2020 and TNTEU frameworks, reinforcing the institution’s commitment to academic excellence and holistic teacher preparation.

A Solemn Tribute: Martyrs' Day Observance at DMI College of Education

On January 30, 2026, DMI College of Education solemnly observed Martyrs' Day in memory of Mahatma Gandhi and all martyrs who sacrificed their lives for the nation.

The program included a prayer song, a meaningful address by Dr. D.A. Dency, Principal, and a two-minute silence observed at 11:00 AM. A student speech and a Pledge of Peace and Non-Violence marked the occasion with reflection and commitment.

The observance served as a powerful reminder of the enduring values of truth, non-violence, and selfless service.

Our Republic, Our Pride - 77th Republic Day

On January 26, 2026, DMI College of Education celebrated the 77th Republic Day of India with pride and patriotism under the guidance of Sr. Hamlet and Dr. D.A. Dency, Principal.

The program featured a prayer song, flag hoisting, patriotic songs, and a Republic Day address emphasizing constitutional values and civic responsibility. The celebration concluded with the National Anthem, reaffirming our commitment to justice, equality, and unity.
