VOLUME : 1 MAY 2025 ISSUE : 5

## **Rev. Fr. Dr. J. E. Arulraj**

**OUR FOUNDER & CHAIRMAN – DMI Group of Institutions**

I am pleased to see the enthusiastic promotional activities undertaken by our colleges and universities in recent months. In today's competitive educational landscape, building visibility is just as vital as delivering quality education. Your efforts in showcasing the strengths of our institutions are commendable and much appreciated.

However, we must continue to strengthen our presence—especially on social media platforms. I encourage you to share your achievements, student success stories, and campus innovations more actively. Let the world see the vibrant academic and cultural life that thrives within our campuses.

As we prepare to begin a new academic year, I urge all our institutions to make thorough academic plans. Along with curriculum delivery, give due importance to skill development and personality enhancement modules. These are essential in shaping confident, competent, and compassionate individuals who are ready to make a difference in society.

Let us work hand in hand to elevate our colleges and universities to global standards, rooted in excellence and guided by our core values.

With best wishes for a fruitful academic year ahead,

## EDITORIAL

**Prof. M J Xavier**

CEO – DMI Foundations and Chief Editor

It gives me immense pleasure to see how this platform is evolving into a strong medium of connection across our diverse institutions. We began by sharing updates from our colleges and St. Joseph University in Tamil Nadu, setting the tone for this collaborative initiative. In our subsequent editions, we featured news from Nagaland University, and I'm happy to share that in the coming months, we plan to bring you inspiring stories and developments from our African Universities as well.

You can access all our past newsletters on <https://dmifoundations.org/newsletter.html>. I encourage you to revisit them and stay updated on the vibrant activities happening across the DMI network.

Looking ahead, we aim to foster stronger synergies across all our institutions. One of the ways we can achieve this is by actively contributing to the journals of our sister universities and institutions. Let us also explore opportunities to leverage the diverse competencies available within our network—for teaching, collaborative research, and extension activities.

I sincerely hope DMI Konnect serves as a platform to connect people, build meaningful professional relationships, and create a spirit of unity and collaboration among us all.

#### BLOOD DONATION

On May 8th, 2025, DMI Engineering College observed World Red Cross Day by organizing a blood donation camp in collaboration with the Red Cross Society.

### GREEN CAMPUS AWARD - PRESENTATION TREADING GREENER VISTAS

On May 8th, 2025, DMI Engineering College observed World Red Cross Day by organizing a blood donation camp in collaboration with the Red Cross Society.

### NATIONAL GRAND RESEARCH COMPETITION

On May 10th, 2025, the National Grand Research Competition was held, showcasing innovative research contributions from across the country. A proud moment for DMI Engineering College: one of our esteemed professors, Dr. Regupathy, was shortlisted for their outstanding research work and went on to win the prestigious third prize.

### PROJECT PRESENTATION

DMI Engineering organized a project demonstration in the form of a viva for its final-year students from the Department of Mechanical Engineering.

### INSPECTION

On May 26th, 2025, a dedicated inspection team from Anna University visited DMI Engineering College as part of its routine evaluation of affiliated institutions.

### CAMPUS INTERVIEW

On May 12, 2025, DMICE organized an online pooled campus recruitment drive featuring AVASOFT as the hiring company. AVASOFT is a well-established product-based company with 15 years of industry experience.

On May 24, 2025, the institution's Placement Department organized a campus recruitment drive featuring CAD MACRO Pvt. Ltd. as the recruiting company. CAD MACRO is a reputed provider of advanced CAD/CAM solutions, including software for wire EDM, CNC turning and milling, die mold ERP, press tool design, and customized automation tools.

### SIGNED MOU

DMI Engineering College signed a Memorandum of Understanding (MoU) with TE Network Systems, marking a significant step towards enhancing the professional skills and industry exposure of its students on May 30, 2025.

### PATENTING ADVANCES IN ROBOTICS

DMI Engineering College has achieved a significant milestone by securing its first design patent. The patent was awarded for a project titled "MATERIAL HANDLING & TRANSFER ROBOT." Mr. J. Jesumanen, assistant professor from the mechanical department, is the inventor responsible for this innovative design. This accomplishment highlights the college's commitment to fostering innovation and practical solutions in the field of engineering.

**STUDENT PLACEMENT ACHIEVEMENT**

We're proud to announce that Ms. Sandhya from Mechanical Engineering has been placed at Bonfiglioli on 8th May 2025 with a package of ₹3-4 LPA. Congratulations to her on this achievement, and thanks to Bonfiglioli for supporting our talent.

**FACULTY PUBLICATION ACHIEVEMENT**

We proudly congratulate Mrs. D. Asha, HOD & Assistant Professor of IT at Loyola Institute of Technology, for authoring the textbook “Network and Security,” published by Charulatha Publications. Her contribution is a valuable resource for students and educators alike.

**FACULTY RESEARCH PUBLICATION**

We congratulate Mr. K. Ayyappan, Assistant Professor of CSE, for publishing his research paper on 3D Visualization and AR in cancer research at the 2024 EmergIN Conference.

His work highlights innovation in tech-driven healthcare and reflects our commitment to academic excellence.

**FACULTY PATENT PUBLICATION**

We proudly congratulate Dr. S. V. Priya, Assistant Professor of ECE, for receiving a patent for her innovation titled “IoT-Based Electric Vehicle Energy Consumption Predicting Device.”

Published by Intellectual Property India, this marks a key achievement in smart and sustainable technology.

**LIFETIME ACHIEVEMENT AWARD - Dr. K. MURUGESAN**

We proudly congratulate Dr. K. Murugesan, Professor of ECE, for receiving the Lifetime Achievement Achievers Award 2025 at the Academic, Research & Innovation Awards held on 15th May at Mother Teresa Arts and Science College, Theni.

The award honors his exceptional contributions to academia and research.

**FACULTY PUBLICATION ACHIEVEMENT—DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

We proudly congratulate Dr. K. Murugesan, Professor of ECE, for receiving the Lifetime Achievement Achievers Award 2025 at the Academic, Research & Innovation Awards held on 15th May at Mother Teresa Arts and Science College, Theni.

The award honors his exceptional contributions to academia and research.

### FACULTY ACADEMIC CONTRIBUTION - JOURNAL REVIEWER ROLE

We congratulate Ms. S. Bhooma, Assistant Professor of MBA, for serving as a reviewer for the International Journal of Innovative Research in Technology (IJIRT).

Her role highlights her academic expertise and dedication to quality research.

### FACULTY RECOGNITION - PROMOTION OF TAMIL LANGUAGE AND CULTURE

We are proud to share that Mr. M. Muralidharan from the Department of Science & Humanities (Tamil), Loyola Institute of Technology, Chennai, has been honored at the Bharathi Bhavanar Senthamizh Vaanam event in Karur, organized by the Global Tamil Cultural Federation.

Recognized under the Tamil World Record initiative, his efforts in promoting Tamil language and culture have earned him this prestigious recognition.

Congratulations to Mr. M. Muralidharan for this outstanding achievement and for bringing pride to our institution!

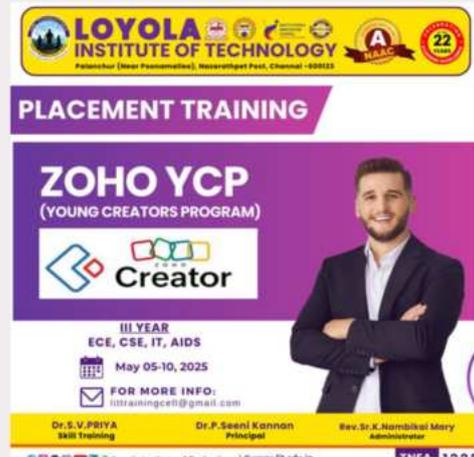

### SKILL ENHANCEMENT TRAINING PROGRAM FOR II & III YEAR STUDENTS - MAY 2025

Loyola Institute of Technology successfully conducted a comprehensive Skill Enhancement Training Program from 5th May 2025 to 10th May 2025. The program aimed to empower second- and third-year students from all departments with practical knowledge and hands-on experience in emerging technologies.

This initiative was designed to bridge the gap between academic learning and industry requirements, equipping students with essential skills to meet the demands of the modern workforce.

### BEST TRAINING & PLACEMENT PROFESSIONAL—THE PLACEMENT PINNACLE AWARD

We are delighted to announce that Mr. A. Sivakumar, Placement Officer at Loyola Institute of Technology, Chennai, has received the VIMS Excellence Award—2025 from the Vivekananda Institute of Management Studies.

This award recognizes his exceptional contributions to training and placement, significantly enhancing student employability and the institute’s career success rate.

Congratulations to Mr. A. Sivakumar on this well-deserved honor!

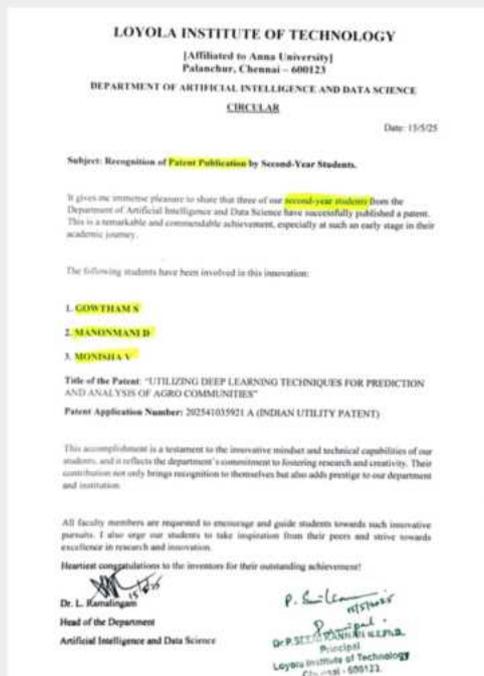

**NPTEL ONLINE CERTIFICATION - JAN - APR 2025 SESSION**

We are proud to announce that faculty and students of Loyola Institute of Technology have successfully completed NPTEL online certification courses for the Jan–Apr 2025 session. This achievement highlights our community’s dedication to continuous learning, professional growth, and academic excellence. Congratulations to all participants, and we encourage others to explore such valuable opportunities in the future.

**STUDENT PATENT ACHIEVEMENT - DEPARTMENT OF AI & DS**

Three second-year AI & DS students of Loyola Institute of Technology—Gowtham S, Manonmani D, and Monisha V—have published a patent titled “Utilizing Deep Learning Techniques for Prediction and Analysis of Agro Communities”  
Patent No.: 202541035921 A  
Congratulations to the team on this remarkable achievement!

## ST. JOSEPH COLLEGE OF ENGINEERING CAMPUS HIGHLIGHTS

### DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING HACKATHON 2K25

Hackathon 2K25, held on 23.05.2025, provided students with valuable hands-on learning. Key outcomes included deeper knowledge in areas like Quantum Computing, UI/UX Design, Cloud & DevOps, Data Science, AI, Cybersecurity, Blockchain, Web & Mobile Development, Embedded Systems, IoT, and Home Automation. Students gained practical experience in building integrated software and hardware solutions.

### DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The Department of ECE at St. Joseph College of Engineering, Sriperumbudur, organized Hackathon 2K25 on 10th May 2025 to foster innovation and industry exposure among second- and third-year students. The event featured 42 projects, 10+ innovative ideas, and workshops by faculty and industry experts. Students from various colleges participated, and six teams won cash prizes. Guests included Mr. M. Jayakumar (Valeo India), Dr. P. Chinniah, and Mr. M. Soundar (Ilsintech). The event received positive feedback for enhancing technical skills, teamwork, and practical knowledge.

### ONE-DAY WORKSHOP ON MASTERING FIBER OPTIC SPLICING

The ECE Department of St. Joseph College of Engineering conducted a workshop on “Mastering Fiber Optic Splicing” on 10th May 2025. Led by Mr. M. Soundar (Technical Manager, Ilsintech & alumnus, 2019–23), the session offered both theory and hands-on training in fiber optic communication. Students practiced fusion and mechanical splicing using tools like OTDR and power meters, gaining practical skills in splicing, testing, and safety.

### FAREWELL CEREMONY

The ECE Department held a heartfelt Farewell Ceremony for the 2021–2025 batch on 22.05.2025. Students shared memories, expressed gratitude to faculty, and enjoyed cultural performances. The event concluded with gift distribution, marking a joyful end to their college journey.

**DEPARTMENT OF INFORMATION TECHNOLOGY**

**SEMINAR**

Department of Information Technology third-year students successfully attended NAAN MUDHALVAN Course Training on 06/05/2025. The course instructor was Mr. Manikandan from the Naan Mudhalvan Team.

Second-year students successfully attended NAAN MUDHALVAN Course Training on 07/05/2025. The course instructor was Ms. V. Mahalakshmi from the Naan Mudhalvan Team.

**PROJECT EXPO**

The Department of Information Technology successfully organized PROJECT EXPO on 23 MAY 2025 at the IT LABORATORY. In the project expo, overall, 33 teams of IT students participated, and they exposed their talents with the projects.

**DEPARTMENT OF SCIENCE & HUMANIITES**

The Department of Science & Humanities hosted the Science Expo 225 on May 03, 2025. All the first-year students enthusiastically participated and explored their creative ideas.

### INDUSTRIAL VISIT

The Department of Information Technology organized an industrial visit for III IT students to 'NITTTR Chennai' on May 8, 2025. The industrial visit to NITTTR Chennai was an enriching experience that bridged the gap between theoretical knowledge and practical application. It provided students with valuable insights into the advancements in technical education and research, preparing them for future challenges in their respective fields.

### ENTREPRENEURSHIP DEVELOPMENT CELL

The ED Cell & Department of MBA organized an industrial visit to Hand India Academy, Kancheepuram, for first-year students on May 6, 2025. During the visit, students gained valuable insights into practical industrial processes.

## CAMPUS HIGHLIGHTS

### SJCET TAKES LEAD AS NODAL CENTRE FOR IIT DELHI'S RESTIGIOUS VIRTUAL LABS PROJECT

On 14.05.2025, SJCET becomes a nodal resource center. Under IIT Delhi “Virtual Labs,” Mr. P. Muthamil Selvan, HOD/CSE, acts as Institute Nodal Coordinator. On May 14, 2025, St. Joseph’s College of Engineering and Technology (SJCET) was recognized as a Nodal Resource Centre under IIT (REF.IMG 1:1)

On May 19, 2025, SJCET successfully organized a workshop on “Virtual Labs,” conducted in collaboration with IIT Delhi, fostering hands-on digital learning and virtual experimentation for faculty and students. Notably, SJCET has secured the 14th position among participating institutions nationwide, marking a significant milestone in its digital learning journey. (REF.IMG 1:2)

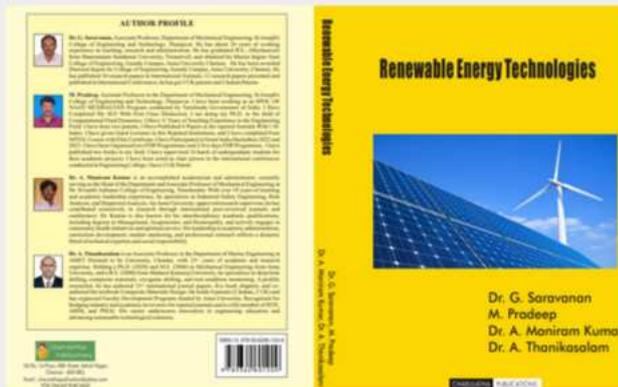

### SJCET UNDERGOES SUCCESSFUL AFFILIATION INSPECTION BY ANNA UNIVERSITY

On May 26, 2025, our institution underwent the Anna University affiliation inspection for the academic year 2025–2026. The inspection committee thoroughly evaluated academic facilities, faculty qualifications, and infrastructure and offered constructive feedback aimed at fostering continuous institutional enhancement.

### FACULTIES RELEASE TRIO OF BOOKS VIA CHARULATHA PUBLICATIONS

The Department of Mechanical Engineering proudly announces that Dr. G. Saravanan and Mr. M. Pradeep, Assistant Professors, have authored and published three books with Charulatha Publications: Energy Storage Devices, Casting and Welding, and Renewable Energy Sources, contributing significantly to academic literature.

### PATENT APPROVAL GRANTED FOR INNOVATIVE 'PORTABLE MATH LEARNING KIT'

On May 5, 2025, Mrs. R. Malarkodi (HoD, S&H) and her team received the Certificate of Registration of Design from the Patent Office, Govt. of India, for their innovative “Portable Math Learning Kit,” marking a key achievement in educational innovation.

### FROM CLASSROOM TO CONFERENCE : AI & DS STUDENTS SHOWCASE CUTTING - EDGE IRIS DETECTION

III Year AI & DS students—Ms. Christy, Ms. Abitha, Ms. Kiruthika, Ms. Agalya, and Ms. Dimeetha—presented their paper “Noiseless IRIS Detection using CNN” at a seminar hosted by Karpaga Vinayaga College, under the guidance of Mrs. G. Subbulakshmi, Assistant Professor.

### EMPOWERING TOMORROW'S DEVELOPERS : SJCET STUDENTS SHINE IN IIT HYDERABAD SUMMER INTERNSHIP

II Year AI & DS students—Ms. M. Afra, Ms. V. Abinaya, and Ms. P. Ranjani—successfully completed a one-month Web Development internship by FCC, IIT Hyderabad, in collaboration with Remark Skill Education.

### FROM THEORY TO PRACTICE : Ms. A. VERGIN BLESSE EXCELS at NIT TRICHY INTERNSHIP

Ms. A. Vergin Blesse, a third-year ECE student, successfully completed a one-month internship on “Design and Analysis of CMOS Logic Circuits” at NIT Trichy, enhancing her technical skills.

### BRIDGING THEORY AND PRACTICE : SJCET STUDENTS COMPLETE CUTTING - EDGE RF DESIGN INTERNSHIP

The III Year students of the ECE Department—Ms. S.M. Kaviya, Ms. M. Mavina, and Ms. A. Sumitha Sri—have successfully completed a summer internship on “Modern RF Circuit and Antenna Design” conducted by NIT Trichy, gaining valuable hands-on experience in advanced communication technologies.

### SUSTAINABLE MOBILITY AND AUTOMATED AGRICULTURE : SHOWCASING TOMORROW’S TECH AT PROJECT EXPO 2025

The EEE Department proudly hosted Project Expo-2025, showcasing student innovations like an electric auto, e-scooter, and agriculture robot, highlighting advancements in eco-friendly transport and smart farming.

### SHINING BRIGHT WITH GOLD : CSE STARS MAKE US PROUD IN NPTEL

Four of our computer science and engineering students have reached a remarkable milestone by securing the prestigious NPTEL Elite+Gold certificate. This accolade is a testament to their dedication, hard work, and commitment to academic excellence.

### PROJECT EXPO 2025 ; UNVELLING INNOVATION : AI & DS STUDENTS SHOWCASE GROUND BREAKING PROJECTS AT EXP02025

The AI & DS Department, along with the Automation and Coding Clubs, conducted Project Expo 2025 in two phases on May 14 and 19, 2025. Students showcased innovative AI projects through engaging presentations, highlighting technological advancements.

## ST. JOSEPH COLLEGE OF ARTS & SCIENCE

### CAMPUS HIGHLIGHTS

A proud moment as the Chairman reviews the certificate conferring autonomous status – a significant milestone in our institution’s journey towards academic excellence and self-governance

The chairman offers his blessings to the principal in a gesture of encouragement and support.

Administrator Sister receives blessings from the Chairman with gratitude and reverence.

A historic handover: Principal and Administrator Sister receiving the certificate from the chairman.

Autonomous status conferred: A proud achievement for the institution!

The principal addressing the faculty on the occasion of receiving autonomous status.

The administrator is sharing words of encouragement during the autonomy celebration.

A faculty representative expressing pride and gratitude in this milestone moment.

The Advertisement Committee of our college organized a pamphlet distribution campaign at various public gathering spots in the surrounding areas. This initiative aimed to raise awareness about our academic programs and upcoming admissions. Committee members directly engaged with the public, providing detailed information about the college and addressing queries on the spot. The campaign served as an effective platform to connect with the community and promote the opportunities our institution offers.

Outreach in action: Staff interact with the public, highlighting academic programs and admission details.

Staff interacting with school students to share information about upcoming admissions.

Outreach with purpose: Staff take the admission campaign to local street vendors, encouraging educational access.

## Innovation & Incubation Centre

Dates: 30th & 31st May 2025, Venue: Seminar Hall, DMI College of Engineering (DMICE),

Trainer: Dr. Panneerselvam Ramaswamy, Head—Innovation and Incubation,  
Program Mode: Day 1 – Offline | Day 2 – Online

Program Coordination and Support: Mr. Chandran, AP/EEE, & supported by Mrs. Amy, AP/DMI Business School.

An outreach program on 7 Quality Control (7QC) Tools was conducted at DMICE on 30th and 31st May 2025 to promote practical awareness among students and industry professionals of widely used quality improvement tools.

The program commenced with the gracious presence of the Sister-Rev. Sr. M. K. Teresa, Correspondent of DMICE. The event was coordinated by Mr. Chandran, Assistant Professor/EEE, who efficiently managed the schedule and ensured smooth logistics, and Mrs. Amy AP/DMI Business School facilitated active participation from MBA and engineering students.

The program witnessed commendable participation from both academic and industry sectors.

- Industry Delegates: 9 participants from various MSME units
- MBA 1st Year Students: 11 participants
- Engineering 1st-year students: 9 participants

Total Participants: 29

The technical sessions were delivered by Dr. Panneerselvam Ramaswamy in quality systems and industry engagement.

Day 1 (Offline): Covered the concepts of all 7 QC Tools, practical templates, and real-world examples for MSME applications.

Day 2 (Online): Included visual demonstrations, case studies, and exercises. Interactive discussions helped students understand data analysis and root cause identification techniques using the 7QC tools.

### **Conclusion**

The Outreach Program on 7QC Tools concluded successfully with active involvement from all participants. The initiative enhanced awareness, fostered industry-academic interaction, and supported student development through exposure to real-world problem-solving methodologies.
